

# LAPTOPS FOR LEARNING SCHEME

2023-24

Laptops for Learning enables all parents and carers the opportunity to obtain a laptop for their child to support learning in school and at home. These devices will enable students to access a rich variety of additional learning tools and strategies. This will help students with their studies, as well as prepare them for their future working lives where using such devices are the norm in a wide variety of careers.

# SUMMARY OF THE DEVICES AVAILABLE

Chromebooks are low-cost laptops powered by Google. They can access the Internet, including Microsoft365 and Office online, but you cannot save documents locally or install other software. Refer to [www.google.com/chromebook](http://www.google.com/chromebook) for more details.

The first Microsoft Windows device available is the Asus BR1100, which is ideal for most students. This is a lightweight laptop which has been specifically designed to withstand the bumps and spills of daily life in a school and at home while still supporting collaborative, online learning in the modern classroom. Its small design makes it ideal for fitting in a child's school bag.

A higher specification Microsoft Windows laptop, the Asus X415, will also be available, which some students may prefer. Students taking GCSE Photography or Media Studies would benefit from the higher specification. The main differences are a faster processor, more memory and a larger screen size.

## Advantages of the scheme include:

- Fully managed service and one point of contact for Parents/Carers**
- Savings compared to buying comparable packages online or on the high street**
- Flexible payment options available**
- No credit checks on any of the payment options**
- Up to 3 years insurance against accidental damage and theft - with zero excess (there is a limit of 2 claims in any 12 month period)**
- Protective case**

### LENOVO CHROMEBOOK (MODEL 100E 3RD GEN)

- 11.6" screen 1366 x 768 pixels
- AMD A4 3000 mobile processor
- AMD Radeon graphics
- 4GB DDR4-1600 RAM
- 64GB eMMC storage
- Size 28.96 x 19.9 x 2.02 cm
- Weight 1.25kg
- ChromeOS

### ASUS BR110 (MODEL BR1100C-C1XA-3Y)

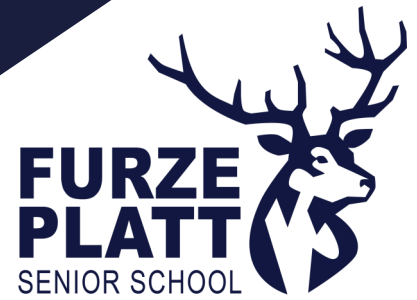

- 11.6" screen 1366 x 768 pixels
- 1.1GHz Intel Celeron N4500 processor
- Intel UHD graphics
- 4GB DDR4-1600 SDRAM
- 128GB eMMC storage
- Spill-resistant keyboard
- Size 29.46 x 20.49 x 2.00 cm
- Weight 1.26kg
- Windows 11

### ASUS X415 (MODEL P1411CEA-EKI382XA)

- 14" screen, 1920x1080 pixels
- 3.0 GHz Intel Core i3-1115G4 processor
- Integrated Full HD graphics
- 8GB DDR4 SDRAM
- 256GB SSD Hard Drive
- Size 32.54 x 21.60 x 1.99 cm
- Weight 1.60kg
- Windows 11

# LAPTOPS FOR LEARNING SCHEME PACKAGE OPTIONS

Below are the prices for the packages available.

The packages include several different methods of payment as shown in the tables below. Payment needs to be completed before your child leaves the school, so depending on your child's year group some options might not be available to you. For example, students in Year 10 will not have the 36-month option.

If your child leaves the school before you have made the final payment, you will need to either make a one off payment to clear the balance, or return the laptop to the school.

PACKAGES FOR YEAR 7, 8 AND 9 STUDENTS INCLUDING 3 YEARS INSURANCE	12 MONTHS	24 MONTHS	36 MONTHS	ONE OFF PAYMENT
Chromebook	£36.03	£18.72	£13.47	£360.97
Asus BR1100	£39.17	£20.55	£14.75	£407.09
Asus X415	£49.33	£25.44	£18.17	£508.50

PACKAGES FOR YEAR 10 STUDENTS INCLUDING 2 YEARS INSURANCE	12 MONTHS	24 MONTHS	ONE OFF PAYMENT
Chromebook	£31.42	£16.39	£313.67
Asus BR1100	£33.66	£17.52	£343.99
Asus X415	£43.32	£22.40	£445.40
