Review of Results

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY.

All exam boards follow the same Review of Results procedure as set out by the JCQ in this document:
[Post-Results-Service 26 FINAL.pdf](#)

Please note the deadlines for the different requests as listed in Section 2.2. These deadlines are set by the JCQ, not at a centre level, and once the deadline has passed we will be unable to submit for a review of results.

There are three possible outcomes to a clerical re-check, a review of marking or a subsequent appeal:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

It is possible for your grade to go up or down during this process, so please consider your options carefully.

To proceed with the clerical re-check or review of marking, you must complete the form via your Exams Assist account. This tells your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

The fees are set out below and these are the exact amount charged by the boards and payment will need to be made via bank transfer (to Furze Platt Senior School, Lloyds Bank: sort code 30-95-36 account no 42740560)

Please use Student name/Exams as a reference) before the application can be processed.

Once you have completed this form, the Exams Manager, Mrs Hemsley, will be in touch to confirm payment has been received and request processed.
