

## Year 13 Pre-Public Exam Arrangements – January 2024

Pupils will sit their option subjects' papers according to which option block they are in. Thus any subject appearing in more than one option block will have pupils sitting the same paper on different days. Tight security will be maintained through ensuring that pupils cannot take papers, notes etc out of the exam hall. Where Art or Photography exams clash with other option blocks, the exam will be sat on another day.
