HELPERS NEEDED FOR OPEN EVENING

Thursday 6th October 6-9pm

Year 8 – Guides

All other Years – Help needed

Our annual Open Evening is our major event showcasing the school to prospective students, and this year we are asking our Year 8s to play a key role in escorting and guiding visitors around the school. This is an excellent opportunity for them to take some leadership responsibility and to be ambassadors for the school. We are also asking for students from other years to volunteer to help on the night as we have a very high number of visitors expected on site that evening.

It is our expectation that as many of our students will be involved if at all possible as well as all our Year 8s. As you will be aware, school is finishing at 12.45pm on Thursday 6th October to enable students to go home early before returning.

Year 8: All Year 8s will have an assembly in which we will outline their role and our expectations, but for your information we are suggesting the following:

we would like all students to be back at school by 5.30pm at the latest. Students should go to the gym.

All other years: We would like all students to be back at school by 6pm at the latest.

Please could you emphasise to your child that if they attend the Open Evening as helpers, they must wear school uniform. They should also note that bicycles must not be ridden on the school site anywhere at any time. The chances of an accident while strangers are coming to and going from the school premises are very high. Wherever possible, we would like students to stay for the duration of the evening, which will finish at 9pm at the latest.

We will provide soft drinks as refreshments, but they may also wish to bring additional food/ drink with them, as they will not be able to use the café facilities during the evening.

If your child is returning to school to help, would you please sign and return the permission slip below. Please be aware that there will be a large number of visitors on site and it will be most helpful if you could drop your sons and daughters off just outside school.

May I conclude by thanking you for allowing your child to support the school in this way. Their assistance is of great value to the school and gives them practice and confidence in presenting themselves and their school in public.

Please note that Friday 7th October is an INSET Day, therefore the school will be closed for students.

PGL TRIP INFORMATION EVENING

Tuesday 4th October, 6pm

**Year 7 PGL Outdoor and Adventurous Activities Trip
Friday 14th - Sunday 16th October 2016**

In preparation for the trip, we will be holding a meeting for all students and parents on Tuesday 4th October 2016 from 6.00pm - 7.00pm in the Main Hall.

The purpose of this meeting is to ensure that you all know what to bring and what not to bring, what to expect of us, what to expect of Osmington Bay's accommodation and catering and what sort of activities the children will be doing. It is also essential that we have the most up to date details regarding your child's medical and dietary information and physical capabilities.

Please could you check any medical requirements and if there are any updates, please contact Miss Hussey directly (charlotte.hussey@furzeplatt.net / 01628 625308) or bring any relevant information to the meeting.

It is very important that everybody attends the meeting, however, if for any reason you are unable to attend, please could you make contact with the school so that any important documentation can be passed onto you.

We look forward to seeing you there.

SCHOOL NEWS

FURZE PLATT STUDENT MEETS PRIME MINISTER

Alessio Reina (Year 7) was invited to St Mary's Primary School this week to meet Theresa May, Prime Minister. Alessio, previous Head Boy and Eco Champion at St Mary's, was on the Eco Council for 6 years and when the Green Flag Assessment took place earlier this year, he was invited to the presentation as he had contributed enormously. The CEO of Keep Britain Tidy also attended as they oversee the Eco Schools programme. Theresa May asked Alessio if there was an Eco Council at Furze Platt Senior School to which he replied "yes, it is open to the older children."

YEAR 10

YEAR 11

STUDY SKILLS SESSIONS

During the next week, Year 7s will all participate in a session on Time Management. This is with a view to help support students planning their homework around other commitments and thus enable their work/life balance.

They will ultimately produce a flexible timetable to take home and use on a daily basis. Please ask your child about what they have produced and how it works.

There will be follow up sessions later on in the academic year to help them with note taking and the use of command words.

If you would like to know more, please contact:

Debbie Slater, Senior Learning Mentor on extension 127 or email Debbie.Slater@furzeplatt.net.

NETTLECOMBE TRIP

By Cameron Aird, Year 13

Last Friday, I was one of 22 Year 13 biology students who visited Nettlecombe Court Field Centre in Somerset for a 4-day field trip focused around our assessed practical coursework. Once we arrived, the remainder of the day was spent getting settled in and after dinner we went out for a bat walk using ultrasonic detectors to detect bat activity.

On Saturday we took the minibuses down to Embercombe in Exmoor where we sampled and identified freshwater invertebrates. In the evening after dinner, we were taught how to analyse these results statistically to determine if there was any difference in the samples taken in slow-moving compared with fast running water. Although this wasn't a required practical we needed to do, it was good practice for Sunday's practical, which was one of our assessed ones.

We went to the North Devon coast on Sunday in order to carry out our practical, which was finding out how the species of plants found on the sand dunes there varies as you move further inland. The sand dunes we visited were one of the most extensive in Europe and are called the Braunton Burrows.

Before travelling back on Monday afternoon, we carried out our last practical which involved using chromatography to separate and identify the different pigments present in the leaves of nettles found in light and dark areas, as well as seeing if the difference in the amount of light they received had any influence in the pigments present in the leaves. We had to crush up the leaves in order to release the pigments from the cells, and then used thin layer chromatography to separate them.

It was a great way to get our assessed practical work done as we weren't stuck in a classroom the whole time, and actually got to go out and collect the data we used ourselves and we visited some really nice places in doing so as well.

SPORTS RESULTS

There were a number of matches played this week by our Hockey and Netball and Rugby teams. In Rugby, Furze Platt played and beat Leighton Park School twice. Our Sixth Form were first, with a decisive 39-0 victory. The try scorers were: Oliver Baldwin, Will King x 2, Aran Wellman x2, Amit Avtar and Henry Cogswell. The next match was our Year 9 v Leighton Park where Furze Platt were triumphant again, with a 29-24 win.

Well done to everyone who competed this week.

OFSTED VISIT

Tuesday 20th and Wednesday 21st September 2016

Dear Parent/Carer,

Last week we had our Ofsted inspection. Thank you to everyone who filled in their questionnaires, it was lovely to know that so many of you think so highly of Furze Platt and we appreciate your comments.

We look forward to seeing our feedback from Ofsted, which we will share with you as soon as we are able.

PUNCTUALITY TO SCHOOL

Please be advised that all students, including 6th Formers, must be on school site before 8.40am. Our gates close at 8.40am promptly so your child will need to be here earlier than that to ensure they are on time. Good punctuality is very important and we appreciate your support in ensuring that your sons and daughters allow sufficient time to arrive at school. We will contact you if your child is late and persistent lateness will incur sanctions.

Thank you for your support.

P/T ASSISTANT SITE CONTROLLER REQUIRED

TERM TIME ONLY - 20 hours per week, evenings

This highly successful and oversubscribed 11-18 comprehensive school is looking to appoint a Part Time Assistant Site Controller.

Salary £7,600 to £7,900

The successful applicant will work Monday to Friday. We are looking for someone who is prepared to work four hours between a core time of 4pm and 9pm.

An element of flexibility is important, particularly when the school is open for evening events.

We require a hard-working individual to join our team of site staff, assisting the Facilities Manager in providing an efficient on-site service. Relevant experience is desirable. A full driving licence is not necessary, however may be useful.

Tasks and duties will include:

Carrying out caretaking duties as directed by the Facilities Manager; dealing with lettings as agreed; carrying out minor maintenance and repairs such as painting; being a key holder for the school premises; assisting the Facilities Manager with Health and Safety matters and administrative tasks as necessary.

The successful candidate will be: well organised and conscientious, able to work on their own initiative, able to prioritise workload and flexible with regard to the working hours and pattern.

Further details and application information are available on our website www.furzeplatt.com. Please return to Mrs G Dandridge via email: gill.dandridge@furzeplatt.net.

*Only applications submitted on the school application form will be considered.
Furze Platt Senior School is committed to the protection and safety of its students.
