

FURZE PLATT FOCUS

End of Term Newsletter - Issue #60

MESSAGE FROM THE HEADTEACHER

Welcome to the Christmas edition of Furze Platt Focus, our termly round up of everything that has been happening at school. I would like to thank the Furze Platt community for all your support for our school since September. Our new students have settled into senior school life well and are already making a significant contribution to Furze Platt.

We have had a number of reasons to celebrate including more excellent examination results in the summer that contributed to our high number of applicants for our Sixth Form. We have had the opening of our exciting new Science and English block which has already had a significant impact on learning. We are looking forward to holding our official opening in early 2020. Moreover, we can now see the steel framework of our new Hall/Theatre which will be ready next summer.

As ever our students have shown their commitment to achieve excellence and it has been a joy to recognise and reward their achievements over the last two terms with students actively demonstrating our school values at events including our annual Celebration Evening, Open Evening, Sixth Form Open Evening, Christmas Music Concert, Hustings, trips and visits, along with numerous House Challenges. Thank you to everyone who supported these events. I have been hugely impressed with how students have shown leadership and they have been much praised by parents, carers and visitors alike. We have some wonderful students who help shape our school.

At the end of every term we must sadly must say goodbye to a small number of colleagues. Damian Fido will be leaving us for promotion. Nicholas Jones will be leaving our Geography team to travel the world, excitingly, before returning next September. I would like to congratulate Kat Gajewska who gave birth to a baby boy last weekend and also Qasam Khattak who is not only moving on but has recently celebrated the arrival of a baby daughter.

SCHOOL TERM DATES 2019/20 & 2020/21

Finally, I hope that you and your families have a great break. I look forward to seeing students refreshed and ready to learn in January.

Merry Christmas and a Happy New Year!

Dr Andrew J Morrison (BA Hons, PGCE, MA, PhD)
Headteacher

It is really encouraging to see so much talent on display and how hard many of them are working to develop themselves and help each other.

It is also vital to recognise the vital role many of our incredible Staff have to play in inspiring and motivating our Students and for giving them as many opportunities as possible. Already this academic year the School has received lots of positive feedback from parents citing instances where Staff have gone the extra mile and made a real difference.

Finally, on behalf of Governors I would like to wish all Students, Parents and Staff the very best for the festive season and a happy and healthy 2020.

Gavin Tisshaw – Chair of Governors

YEARS 7 AND 8 REPORTS

MESSAGE FROM THE CHAIR OF GOVERNORS

Governors are delighted with the new teaching block and it has been great to see the positive reactions from Students and Staff alike. When I asked my Son what he thought he just said “awesome” which I guess sums it up pretty succinctly. Governors were certainly able to make the most of the new facilities as we held our most recent Full Governing Body meeting in there on the 5th December, certainly a significant upgrade to meeting in the library. At the meeting we were able to ratify the 3 new Parent Governors who have recently joined us; Roberto DaSilva, Janet Fitzgibbon and Emily Tomalin. We also approved last year's accounts, the new admissions policy and our 5 year strategic aims which will be appearing on the website shortly. Lorraine Hughes gave us an update on the excellent work of the PTFA, their fantastic fundraising efforts and how desperately in need of extra help they are. If you are able to offer some time to help your Son or Daughter's school do make contact with the PTFA via the school office. You will be making a real difference and I know that all offers of help are very much appreciated. Our Students are a tremendous source of pride to our community and this has been showcased at many events including; Celebration and Open evenings, Hustings and most recently the Christmas Concert.

are supporting The New Hall Theatre campaign which will provide enhanced opportunities for students in the performing arts, music and public speaking as well as offering a teaching arena for stage management and all levels of production. It promises to be a flexible space for assemblies, open evenings, productions, lectures and PE activities, plus a major community asset available for hire to local arts and theatre societies, orchestras and schools.

We believe this multi-use space would be a fantastic addition to our wonderful school so we really hope that you can get behind the project and help us to raise the necessary £34,000 to make it happen!

Our crowdfunding page has a lot more information about the project and makes it simple for you to make a donation. We can also collect Gift Aid boosting eligible donations by 25%! Please take a look and donate but also share news of the appeal with your family and friends and even local businesses and other local organisations who might be able to help. If you know of businesses who can be approached for a donation, please contact Mrs Lynne Moore, Head of Operations, who is coordinating the campaign (lynne.moore@furzeplatt.net).

As a thank you for making larger voluntary donations, the school and PTFA have designed a 'Patron' reward scheme. Rewards range from a 'Thank you' mention in the opening event program (£50), a VIP invitation to the opening event with champagne reception (£200), right through to Theatre sponsorship for businesses (£5,000).

We have raised almost £14,000 since we launched the campaign – a huge thank you to everyone who has donated already but we have a long way to go to reach our target, so please do help if you can. Just £20 per student would raise the remaining money for a top class theatre!

Thank you.

DUKE OF EDINBURGH AWARD SCHEME

We have seen a wide range of wonderful activities being undertaken by students for their DofE. We enjoy sharing their successes; please forward any photos and/ or write ups for us to feature in our newsletter and social media.

A small number of students have not yet uploaded their activities onto EDoE. I would be grateful if you could encourage your child to spend a few minutes doing this as soon as possible so we can support their progress. Assessors cannot be a relative, and please remember to add the assessor's email address.

If your child is struggling to find an activity, please ask them to contact Miss Carty as soon as possible.

I will be in H8 every Tuesday and Thursday Break 1 during term time to support them through any aspect of their award.

Congratulations to Leo Hissey who has completed his Bronze Award.

ST MARK'S CARE HOME

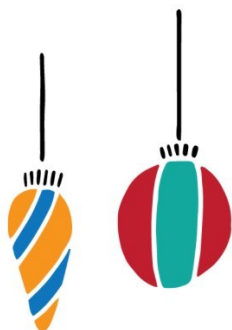

We had some really lovely feedback (below) from St Mark's Care Home. Our Years 9 & 11 Construction groups volunteer there.

*"Hi Miss Carty,
The residents have asked me to email you to say how lovely it is that you all come in, they have said how lovely the students are and how smart, polite, confident and helpful they all are and that they absolutely love that they take time to come in and spend time with them.*

So thank you so much."

TRAVEL AND TOURISM WINDSOR TRIP

By Amereen Hussain (Year 9)

On Tuesday 10th December 2019 we went to Windsor. We started our day by meeting at the train station and looking at the Queen's train.

We then went to see the Changing of the Guards. The Changing of the Guards was exciting. We got to watch the band walk past they had trumpets and recorders and a big drum. Following them were the guards from the marines.

We then walked up to the castle gates to look for information about prices and opening times. The opening times are 9:45am – 4:15pm. The general admission price for an adult is £22.50, for a student it is £20.30, for an under 5 it is free and for a family it is £58.00 unless you have an Advantage card.

We then walked down the cobbled streets to the Guildhall. We looked around the museum. In the museum there were historical artefacts like toys from when the Queen was a little girl.

We then went outside the museum and saw the guards marching back down to the barracks. This time it was the Welsh Guards.

Afterwards we went to have lunch at McDonalds.

Once we were finished having lunch we headed to the old traditional sweet shop.

We then headed back towards the train station walking

through the shops and market stalls. We went to the ice skating rink where some of us got to go on the ice and the others watched a film in the open air cinema.

Once we had all finished having fun we headed back to school.

GINGERBREAD BAKE OFF HOUSE CHALLENGE

Well done to staff and students in all departments who helped create gingerbread masterpieces.

Staff were challenged by the Food and Nutrition department to make and decorate a gingerbread house with some truly stunning results. The standard was very high, the judging was difficult for Furze Platt Junior School's Kit Paldi ~ Head

Girl and Monty Lyall ~ Head Boy plus our Head Boy and Girl Daniel Juden and Gemma Higley (all pictured), but the winner was unanimously decided. First prize was awarded to Pastoral! Well done to them.

LANGUAGE DAY AT ST LUKE'S PRIMARY SCHOOL

MFL took their skills to St Luke's Primary School for their Language Day on Tuesday.

Miss Roujansky taught the Year 5 and Year 6 students the colours of the Christmas tree baubles, plus had them singing Spanish Christmas songs. The students, (some pictured with Miss Roujansky) were so enthusiastic and certainly know how to say Happy Christmas in Spanish – “*Feliz Navidad*”.

planting a wildflower garden to provide a habitat for a variety of creatures and insects.

One area that they are passionate about is reducing the amount of single use plastics that we as a school go through on a daily basis, in particular the number of plastic water and fizzy drinks bottles sold. The first step they would like to take in reducing this number is to encourage students to bring in their own reusable bottles which they can fill up free at school. We have two water bottle fillers in the café and one brand new model in the new English block which students can easily access. We are considering introducing a Furze Platt branded Chilly style bottle for students to purchase...watch this space! Please see the fantastic poster below (designed by Fatima Habbouli) which highlights why students should opt for a reusable bottle. New Year's resolution anyone?

FURZE PLATT BOOT CAMP

After experiencing five years (and one term) of Furze Platt Boot Camp our Year 12 students planned and delivered a session to show the Years 7-9 students what Fitness Club was like before Furze Platt got a fitness suite.

Sprints, body weight exercises and more sprints were inflicted upon a shell-shocked collection of students and two staff.

HOUSE TOP TEN CHRISTMAS WINNERS

On Tuesday, the top ten students from each House were invited to the Furze Platt VIP Christmas Party. The eighty students each enjoyed a Christmas quiz, cheesy Christmas music and a selection of Christmas food including pigs in blankets, mince pies and yule logs. To gain entry, the students had received the highest number of behaviour points in their Houses throughout the whole current school year meaning they had not only met expectations, but had been consistently going above and beyond. It was so wonderful to celebrate their success and be able to congratulate each and every one of them on their amazing achievement.

STUDENT VIEW

For his Bronze Duke of Edinburgh Award, Youcef Ait-Kaci (Year 9) has volunteered to write for our newsletter each week. Here is his take on the past term:

TERM 2 RECAP by Youcef Ait-Kaci

The second term at Furze Platt has been a blast. The students have been working hard, and have been motivated by the upcoming Christmas holiday. Before we break up today, we have our fantastic Christmas assembly! Students from every year are nominated for thriving in a certain subject, and can be generously rewarded if they are lucky enough to win a prize in the random prizewinners' draw. For example, if a student is nominated for their excellence in English, they have a chance of winning a prize for their hard work! This is an event that is celebrated every year, however this event is also celebrated within the summer and Easter.

Students this term have been excelling at the subject maths. I have taken great pleasure in hearing about my friends' progress within the subject. The majority of people have received excellent test results, and it is amazing to see how well everybody works together. Many people often struggle with the subject, however the problem is overcome as everybody is glad to help each other, and collaborate with one another. It is superb, as it is part of our ACHIEVE acronym!

Finally, it is pleasing to see House positive points boosting up. Once the ACHIEVE acronym was introduced, by term 2 everybody was used to how the system works. Pupils have been working a lot harder and behaviour is far better. Pupils are working so much harder than before, as everybody is all about earning positive points, as the ACHIEVE acronym has made a huge impact on term 2!

INTERHOUSE

This week has been very busy for Interhouse competitions. Year 10 and Year 11 girls competed against each other in Tag Rugby, whilst the boys competed against each other in Football.

Well done and thank you to all our hardworking staff of the PE department for organising and running these events so smoothly!

Year 7B Netball team

On Wednesday 18th December, the Year 7B team competed in the second round of the tournament against five other neighbouring schools. Our team consisted of Freya Stevenson, Evie Napier, Jaya Bansie, Rosita Papoff, Rosa Castignetti, Misty Fernandes, Amy Barker, Iqra Mohsin and Gabi Kedzirioia.

The girls performed excellently winning 4 of their games and with 1 draw. They really impressed me, using many techniques and tactics from our training sessions after school. Special mention goes to Evie Napier, for an amazing performance as GA, scoring many of our goals for Furze Platt. The team should be really proud of their achievement, currently ranking 2nd overall in the tournament.

TRIPS AND VISITS

YEAR 10 HISTORY AND GERMAN VISIT TO BERLIN 16TH-19TH JULY 2020

Following the success of previous residential History trips, the History and German departments are delighted to be running a trip to Berlin. The visit offers students the opportunity to practise their German, and to learn more about Berlin during the Cold War and the rise of National Socialism in Germany. The visit will particularly benefit those taking German or History GCSE, but is open to all Year 10 students.

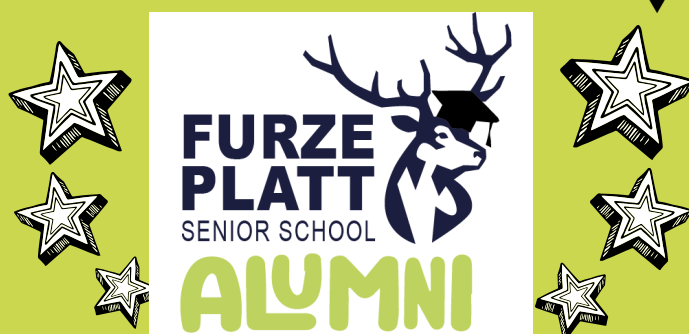

A LEVEL POLITICS - CONGRESS TO CAMPUS UNIVERSITY OF OXFORD, 10TH MARCH 2020

Students studying Politics are invited to an educational visit to the annual Congress to Campus event at the University of Oxford. During this visit students will learn about the role of members of the House of Representatives and much more.
