End of Term Newsletter - Issue #66

MESSAGE FROM THE HEADTEACHER

Dear Parents / Carers

Merry Christmas and Happy New Year

Thank you for all your support since September. As a community we have made considerable efforts to make students' experiences closer to how we would want them to be following recent disrupted years. Daily, we are now running a range of learning activities, lessons and extra-curricular opportunities in keeping with our ACHIEVE values.

In Terms 1 and 2 these have included over 50 clubs and activities, sporting fixtures, Duke of Edinburgh expeditions, theatre trips, geography fieldwork and our recent Christmas Concert. Running through these events and more has been our House competitions which once again have brought fun to learning and a sense of identity within FPSS. I would like to express my gratitude to our staff and governors who, despite various uncertainties, have been focused on ensuring our students have the best possible education. The clubs list for next term (with over 65 different activities available at time of writing) can be found elsewhere in this newsletter.

Our Year 11 and 13 students are adapting to the reality of examinations next year, as well as planning their futures with the help of PSHE lessons, tutor activities and our Careers and Higher Education Fair. I know that our Sixth Form team are delighted with the numbers applying to do their post-16 studies at FPSS (deadline 17 January). Similarly, each university application that is submitted is marked with the ringing of a bell and applause by our Sixth Form students and staff.

Term 2 saw a key moment in the life of any school when Ofsted Inspectors visited in mid-November. Parents and carers will be receiving a letter from me sharing the report which positively highlights the many strengths of FPSS. I would like to thank all our students, parents and carers for their part in securing this outcome, along with their ongoing support for FPSS.

SCHOOL TERM DATES 2021/22

As we end the term, there is new uncertainty around COVID-19 focused on the Omicron variant. Despite the recent increase in student cases I am delighted that we have made it to the end of term with limited disruption. In the New Year we will start by offering all students a test on-site before requesting students test at home. We would appreciate if parents and carers could ensure consent details are updated as per the correspondence earlier this week.

Whatever may occur, please be assured that FPSS continues to be committed to providing as good an education as possible for your students. To do so, we need our school and wider community to look after themselves and each other. Please do take care and keep safe.

Cont. on page 2

At the end of term, we also sadly say goodbye to some colleagues. After a combined total of more than 40 years working at FPSS Gill and Kevin Dandridge are retiring to Dorset. Gill has worked in admin for many years, while Kevin has led our Premises team. The connections to FPSS run even deeper as Kevin was a FPSS student and the couple met while working at FPSS!

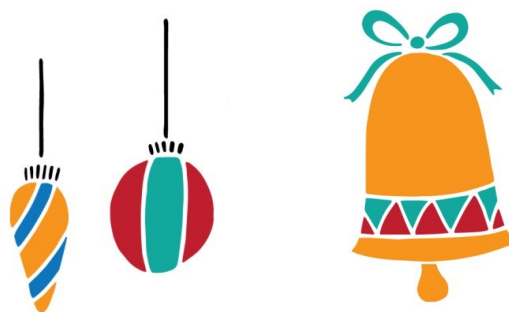

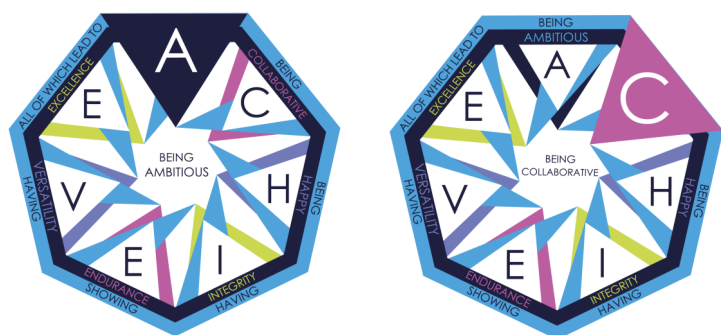

Also leaving us this Christmas is Jess Thorogood, Head of Bisham House and Teacher of Spanish, who will be taking up the role of Head of Spanish at Bradfield College. I am sure you will join with me in thanking Gill, Kevin and Jess for their commitment to FPSS students and colleagues, and wish them every success in the future.

Finally, after many challenges in 2021 I wish you a fantastic Christmas break. I hope that you all get a chance for some relaxation, fun and joy.

Merry Christmas and Happy New Year to all our staff, governors, students, parents and carers, as well as the wider FPSS community.

Take care,

Dr Andrew J Morrison (BA Hons, PGCE, MA, PhD)

YEAR 7 CHRISTMAS CARD COMPETITION WINNER

Thank you for your fantastic designs to everyone who submitted their design for this year's Christmas card competition! We had great fun judging them - congratulations to Oliver Murray (Year 7) for his festive reindeer design.

We sent all the entries to students' primary schools to show them what their pupils were now doing and they really loved seeing them too!

FURZE PLATT VISIT FROM FORMER PRIME MINISTER

On 26th November 2021, Mrs Theresa May MP visited Furze Platt Senior School and held a seminar for our Year 12 Politics students. We were delighted to have this opportunity again, following on from a very successful Microsoft Teams session in 2020. Ronia Royce (Politics

Prefect) writes:

Pictured with Mrs May are Mr Colmer, Head of History and Politics; and Year 12 students Tyler Ayre, Joshua Bassan, Daizy Clifton, Kiera Connell, Tia Groom, Nadine Kalomar, Edoardo Magenes, Millie Price, Ronia Royce and Bradley Scroggie.

"I wasn't expecting to be able to have such an open conversation with Mrs May. There were no restrictions on the questions that we could ask and it meant that the whole session was very transparent. Prior to the lesson, our politics class had done some research into Mrs May's background and I was excited to be able to ask her about her thoughts on the Police, Crime, Sentencing and Courts Bill, which is going through Parliament right now. I was also able to ask her about why she was a member of the Conservative Party, and although I disagreed with her answer she listened to my opinion and answered my follow up questions. It was a really good opportunity to be able to speak directly to a former Conservative Prime Minister and I found her to be really insightful. I enjoyed hearing about her involvement with the environment and the plans she had to reach net zero in the UK. She even expressed her concerns over crypto currencies too."

The students completed excellent research into Mrs May's background, were attentive and were model students throughout the session.

INVITATIONS TO CLUBS – JANUARY 2022

Parents and carers of students in all year groups should have received invitations to attend clubs for their son/daughter for next term. The email was headed Furze Platt Senior School with the email address evolve.furzeplattsnrvisits@edufocus.co.uk and the links are safe for you to click on to confirm your child's attendance. If you have not yet received an email please check your junk / spam folders.

You may wish to sign up to My EVOLVE for an overview of clubs, what's on etc – you can do this from any of the club emails sent to you in two easy steps: 1. Click on the link in the email as usual to see clubs 2. Click 'create account' button at the top of your screen.

Please note:

- * all bookings for next term (January – February half term 2022) must be made through the original email invitation (sent out on today); more clubs may be added to this invitation next term but all bookings need to be made through this email
- * once in the list of clubs, click on the name of the club you wish to book, choose the dates and press confirm
- * please do not duplicate club bookings per session
- * students in upper years may see invitations to academic clubs that are not part of their specific academic programme; emails are sent to year groups so please only choose sessions that are appropriate to your son/daughter
- * if your son or daughter wishes to be removed from a club, please email catherine.johnstone@furzeplatt.net and provide as much notice as possible to allow time for that place to be allocated to someone on the waiting list; if they cannot make one week they should let the club leader know.

COVID TESTS

Dear Parent/Carer

Thank you for your continued engagement in the Covid-19 testing programme and for encouraging your children to self-test at home. If your child needs another test kit box to use over the holidays, they can collect one from student reception/sixth form reception or you can collect one from your local pharmacy.

The government have advised that students in secondary schools should be offered one onsite Covid test on their return to school after the holidays. At FPSS this will be on their first day back, Tuesday 4th January. After testing at school, students will be given a box of test kits to continue testing at home in the Spring term.

If you have already given consent for your child to participate in the onsite testing, you do not need to do so again. However, if you have not yet given consent, please do so by following this link:

COVID CONSENT FORM

If you are not sure whether you have previously given consent, please do so again. A separate consent is required for each child.

Whilst asymptomatic covid testing in school is not mandatory, we encourage your child to take part as this is the most effective way to reduce the risk of transmission and support the continuation of face-to-face education.

Best regards

Mrs L Moore, Head of Operations
