

## MESSAGE FROM THE HEADTEACHER

Dear Students, Parents and Carers,

### Open Evening

A massive thank you to all students, staff, parents and carers who supported our Open Evening on Thursday. Our students were fantastic, touring groups, supporting departments and sharing their experiences of FPSS with our visitors.

It was great to see our community working together to showcase what FPSS is all about and I would like to express my appreciation everyone who represented our school so well.

## RAISING ACHIEVEMENT STARS

A snap shot of the day in the life of Year 11 students working in our Raising Achievement department. During tutor-time, Sufian Hussain, Yassir El-Mouden and Mununga Mununga were busy learning some Algebra, namely expanding brackets. They explored a couple of methods of doing this and found the one they were confident using. This picture shows them working collaboratively to achieve success and showing endurance to be happy and gain excellence.

## UCAS CREATE YOUR FUTURE EXHIBITION

On Monday 2<sup>nd</sup> October, forty Year 12 and 13 students interested in a career in the creative industry attended the UCAS Create Your Future Exhibition at the ExCeL Centre in London. Students had the opportunity to speak to potential colleges, universities and conservatoires and find out more about apprenticeships. This was a fantastic, insightful event. It left some students feeling inspired to explore a pathway they hadn't previously considered. For others, it cemented and confirmed what they wanted to do, making them feel motivated and ambitious. For the staff accompanying them, it made us feel a tad jealous we couldn't rewind the clock as many of these options did not exist for us when we were their age!

## WINTER HEALTH GUIDANCE

As we approach the Winter months, we wanted to share with you some general NHS guidance for managing common health concerns, whilst in school.

### Covid-19

There is no longer a need to isolate for Covid-19. Please treat as you would with a Common Cold, we can administer medication during the day, to relieve symptoms, however, please stay home if your child has a fever of (38+) until the fever clears. If your child has mild symptoms, such as a runny nose, sore throat, or slight cough, they can still go to school.

### Coughs and Common Colds

It is fine to send your child to school with a Minor Cough and Common Cold. We can keep medication in school to administer during the day, however, if they have a fever (38+) please keep them off school until the fever clears.

### Diarrhoea and/or Vomiting

Children with Diarrhoea and/or Vomiting can return to school 48 hours after their last episode.

### Chicken Pox/Shingles

Children with Chicken Pox should stay home until all the blisters/spots have crusted over.

Children with Shingles should stay home until the rash stops weeping.

Should you require your child/children to keep medication in school, Medical Consent forms can be requested by emailing the School Medical Officer on [medical.officer@furzeplatt.net](mailto:medical.officer@furzeplatt.net)

Please fill in the form and return along with the required medication.

A form is required for any medication brought into school, including, Paracetamol and Ibuprofen.

She can talk both personally and professionally and personally about the challenges of getting a diagnosis and gives practical tips and techniques for those who care for children and teenagers.
