

## MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

### Celebrating Student Success

Over the past week it has been fantastic to see students rewarded in our Celebration Assemblies for their efforts in Terms 3 and 4. Lots of students have excelled, living our ACHIEVE values within and beyond the classroom. Many congratulations to all students who have received recognition.

Our celebration of students' efforts and excellence culminated today in our End of Term Celebration Assembly broadcast live across the school. Many students were nominated, and details are included in this newsletter. Those lucky enough to be randomly drawn from nominations have returned home with vouchers or in one case some Air Pods.

If your child did not receive a nomination this time, please encourage them to work for one in the summer term. For those who did, a massive well done on your accomplishments and thank you for demonstrating our ACHIEVE values.

### Music Concert

More student accomplishments were evident in our Music Concert on Wednesday. Students from across the age ranges took to the stage to perform an eclectic variety of entertaining pieces. It takes much practice, skill and a lot of courage to stand on stage and perform, so many congratulations to all who played and sung.

### Departing Colleagues

At the end of term, we sadly say goodbye to some colleagues. Connor Barrett will be leaving our Site Team, while Ollie Jackson leaves PE to join the Marines. We wish them both well.

We are also sad to see Alyson Kelly retire after 12 years at

## PERSONAL, SOCIAL, HEALTH, ECONOMIC (PSHE) PROGRAMME - RELATIONSHIPS AND SEX EDUCATION

As part of your child's education at Furze Platt Senior School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health, Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy and productive lives.

I am writing to let you know that starting 24th April, your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) areas of the programme. RSE at Furze Platt will follow the Department for Education's statutory guidance that came into effect September 2020. RSE lessons in Year 8 will include teaching about: types of relationships; forming and maintaining friendships; romantic relationships; consent; managing relationship and friendship breakdowns; and online safety, including the use and abuse of social media.

The purpose of inclusive RSE at FPSS is to provide

Cont. on page 3

knowledge and understanding of safe and healthy relationships based on love and respect. This is to encourage the development of safe and healthy relationships in later life. The unit will equip students with the knowledge and skills to make informed and healthy choices; to build their confidence and skills to deal with situations they may encounter; to help them to stay safe and know where and how to ask for help if needed.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by staff and governors at Furze Platt Senior School. Please visit the school's website:

### FOR MORE DETAILS ABOUT OUR PSHE CURRICULUM

for more detail about our PSHE curriculum. All PSHE takes place in a safe, inclusive learning environment and is underpinned by our school ethos and values,

### SCHOOL EXPECTATIONS

As we approach the end of the Spring term and prepare for the Summer term, we understand that you may need to replenish or replace some items of school uniform or equipment for your child. To help avoid any confusion or unnecessary expenses, we would like to remind you of our school expectations.

#### Uniform

Students are expected to return in full school uniform. Full details of our uniform policy can be found here. If you are purchasing new shoes, please ensure they are black, smart-style shoes with no logos, no canvas material, no heels, no boots, and no backless designs. Trainers are not permitted.

Hoodies are not allowed, except for official school hoodies worn during PE lessons. Coats may be any colour but should not be made of denim or leather. Skirts must be the official school-logo skirt and are available from Hawkinsport. Short, stretchy lycra skirts are not acceptable.

### Jewellery

Jewellery is generally not appropriate for school. Students may wear a single stud in each ear, but other piercings are not permitted and must be removed—including new piercings. Any additional jewellery will need to be taken off during the school day.

### Hair & Makeup

Hair and makeup should be discreet. Students should not return to school with nail extensions, false nails, or false eyelashes, as these are unsuitable for the school environment, including PE lessons. Hairstyles should be sensible and appropriate, with no extreme styles such as shaved patterns, fully shaved heads, or unnatural hair colours.

### Earphones & Phones

School is a learning environment, and phones and earphones must not be used during the school day. Please remind your child to keep their phone switched off and earphones out of sight while in school.

### Equipment

To support their learning, please ensure your child has a good supply of essential school equipment, a pencil case containing pens, pencils, a ruler, eraser and scientific calculator. A fully charged laptop and charger to ensure they can engage with digital learning throughout the school day. This helps them be ready to learn as soon as they enter the classroom.

Finally, we would like to wish you a wonderful Easter break!

Best wishes,

Miss Rebecca Lake (NPQH)

Deputy Headteacher

## SPRING CONCERT REVIEW

The annual Spring Concert was a spectacular showcase of the school's musical talent, offering an exciting mix of genres and performances that kept the audience engaged from start to finish. From rock and pop to jazz and classical, the evening had something for everyone.

The Rock Bands delivered energetic covers of The Offspring, One Direction, and Arctic Monkeys, bringing a lively, festival-like atmosphere to the stage. In contrast, the more intimate moments of the night came through stunning saxophone and piano solos, demonstrating the depth of instrumental talent in the school.

Choral performances added another layer of richness to the evening. The whole school choir delivered an uplifting rendition of Happy, filling the room with infectious joy, while the Chamber Choir offered a more poignant performance of Die with a Smile, showcasing their tight harmonies and emotional depth.

A series of solo & duet performances provided standout vocal moments, with students covering songs by The Beatles, Peach Pit, the Deftones, Adele, Mama Cass, Johnny Cash, Peggy Lee, Green Day and Spongebob. Each musician brought their own unique style, making these well-known songs feel fresh and personal.

The concert concluded on a high note with Lady in the Long Black Dress from Sister Act, a show-stopping performance that ended the night with energy, humour, and more than a touch of theatrical flair.

This was our new Head of Music, Mrs. Barraclough's first concert with us, and she, along with our incredible Performing Arts team, did an amazing job of

choreographing the event and inspiring the students to give their absolute all in every performance. A huge thank you to the PTFA for providing a fantastic refreshment break, keeping everyone fuelled for such a brilliant evening!

Good luck in the final few weeks of Year 13!
