

MESSAGE FROM THE HEADTEACHER

Dear Parents / Carers

Spring Concert

I was delighted to see so many students participating from across the year groups with such obvious enjoyment and delight.

It was a very entertaining evening and congratulations to all students and staff who were involved.

Autism Awareness Acceptance Week

This week our Shine staff have been raising awareness of autism, busting myths and explaining how our community can support each other. I know this work has been very well received and would like to thank all involved for their efforts. More details on page 6 of this newsletter.

Revision

While for many members of our community the Easter break offers the chance for a rest, there are two year groups, Years 11 and 13, who need to be continuing working and revising on the build up to their examinations. With less than 6 weeks now until the first exam, students should be working hard revising content and also practising past questions and papers.

Thank you to all parents and carers who will support this effort at home over the next two weeks. Please do remind them that by mid-June they will be finished. At that point they have a long summer to enjoy hopefully knowing they have done their best.

Farewells

Sadly, the end of term means saying goodbye to some colleagues. This Easter we say farewell to Chris Jones who is leaving PE, our Learning Mentor Chloe Smith and Learning Support Assistant Graziela De Paula. We wish them well in the future.

Ski Trip

A few weeks ago I wrote how delighted I was to see trips and other enrichment activities re-establishing their prominence on the FPSS calendar. The Easter break sees one of the most popular visits with the Ski Trip to Andorra. I hope all those involved have an amazing time.

The Easter Break

Finally, I wish you and your families a fabulous break. Term 5 starts on Monday 17th April. Our student Easter nominations start on page 8.

Take care,

Dr Andrew J Morrison (BA Hons, PGCE, MA, PhD)

FURZE PLATT
SENIOR SCHOOL

'Some of the happiest days of my life...The best school I ever went to! I still think of everybody even now - my schoolfriends, the teachers, even the classrooms. Playing ball games in the playground with a tennis ball during break times (still have the bruises now!) and the cross country running through the fields (I believe the fields are all houses now).'

Great people, Great times and a Great school. Thank You for the memories.'

'The school is rightly proud of its extra-curricular provision.'

YEAR 11 TRAVEL AND TOURISM

By Iris Lackovic

Visiting Speaker to Travel & Tourism Group
Thursday, 23rd March, Period 1 and 2.

Janet Lacey was a lovely lady who gave us a lot of insights into the world of holidays. She talked about different scenarios and talked about her own personal holidays such as going on a cruise holiday with her own disabled mother. She started planning holidays four years ago. She has made a very successful business from this called Not Just Travel, and despite Covid, has sold £1.5 million worth of holidays in the last three years. Janet has planned holidays ranging from family trips to celebrations of 50th birthdays.

Travel & Tourism students were able to ask lots of questions about our assessment briefs and she offered us advice about planning holidays for different needs – for example meeting the needs of a traveller in a wheelchair which is my scenario. Janet took lots of questions from us all and she recommended websites to us and gave us transport tips about each scenario.

It was a really valuable and useful talk for us.

AUTISM AWARENESS WEEK

As part of Autism Acceptance Week, the school held Form assemblies for all students this week.

After an interactive Myth/Fact quiz and a short film, some tutor groups came up with a list of ideas for how we can support all the students and staff in our school:-

THANK YOU FOR YOUR GENEROUS DONATIONS!

We raised a fantastic £2021.50 for the Cystic Fibrosis Trust from your donations through ParentMail and on the day - thank you!

STUDENT FUNDRAISING REQUEST

Nick Holdsworth, Year 13, is raising money for the Berkshire Lowland Search and Rescue by shaving his head. He has already raised £400 and would be grateful for any further donations.

Find out more here:

<https://www.gofundme.com/f/berkshire-lowland-search-and-rescue>

Message from Nick:

'The BLSR are a charity which saves people in emergency situations across Berkshire, whether that's on the water or on the ground, every single day. They rely solely on individual donations (they are not government funded) so are similar to the RNLI (Royal National Lifeguard Institution) if you've heard of them. So, essentially, the more donations that are made to the BLSR, such as from people like us at FPSS, the more amount of lives that are able to be saved by this brilliant charity.'

For those who don't know, Jordan Viera, who went to FPSS, tragically drowned in the Cookham stretch of the River Thames in Summer 2021. Me and Jordan were good mates, we shared lots of classes across Years 7-11, and both went on the Geography Field trip to Iceland in 2019, a trip where we laughed a lot together and made some very funny memories which still make me smile to this day when I think about them. I, like many of the students in our year that knew him, still miss him so much. Jordan's family, who I have had the privilege to meet several times since he passed, donated the remaining proceeds from the funeral JustGiving page to the BLSR, which is the main reason why this is the charity for the fundraiser.'

I have raised £400 in total so far and the goal is to get to £750. It's ambitious but I have faith in the FPSS family.'

Any donations would be incredibly appreciated by me, the BLSR, and all those they have saved, and continue to save.

*Thanks,
Nick'*
