

MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

Thank You to Our Maidenhead Community

I would like to start the newsletter this week by appreciating the many employers, parents and governors who attended FPSS on Wednesday to interview our Year 12 students. This gave students invaluable experience, hints and tips as to how they could be successful in interviews in the future. Thank you to Claire Beale for organising this opportunity.

For you, our community, to be so willing to give up their time to support students is a testament to our community's investment in our young people. Many thanks.

Science Fair

On Monday, I had the delight of attending the inaugural Science Fair in our Theatre. With over 40 participants in Years 7, 8 and 9 I was highly impressed at the fantastic array of scientific investigation, and even more so the way in which students were confidently able to articulate scientific concepts and ideas.

Congratulations to all students involved and thank you so much to Marina Wyatt and our Science Team for organising this fantastic event. Also, many thanks to the many parents and carers who attended.

Enrichment Afternoons

Thank you to all colleagues for their hard work in creating activities for our Year 9 and 10 students on their enrichment afternoons this Thursday and next Monday. The range of opportunities provided for students was vast

UPCOMING EVENTS

and impressive, as was the enjoyment gained from the experiences.

Year 8, 9 and 10 Progress Reports

Parents, carers and students will have had the last Progress Reports of the year. These give an insight into how students have been performing in class. Many students deserve huge praise, reward and thanks for their efforts this year. However, superb the report, for most there will be some areas to develop. Please have these discussions with your children and seek support from subject staff as needed.

Cont on page 2

Sports Awards

I look forward to seeing many students, parents and carers at Sports Awards on Monday to celebrate the many sporting talents across FPSS.

Have a lovely weekend.

Dr Andrew J Morrison (BA Hons, PGCE, MA, PhD)

LOCKERS

Please remind students to remove all contents from their lockers and remove their padlocks by **Thursday 17th July**.

Over the summer the site team will remove any remaining padlocks and locker contents.

New lockers will be assigned to students in September.

LOST PROPERTY

There are a number of unclaimed items in our Lost Property area opposite the library.

Students can come and retrieve their belongings during break times and before / after school.

This area will be cleared for the summer so if you think your son/daughter is missing something please do encourage them to come and look!

LOST PROPERTY

COLLECTION OF DESIGN COURSEWORK

Year 11 and 13 students have now completed their GCSE/A-Level in Design and Technology/Product Design and moderation by the exam board is complete.

Coursework can now be released to students who should collect this by 12pm on Friday 18th July from the Technology Department.

Due to a lack of space please note we will have to dispose of any projects that are not collected.

If students are unable to collect work, please email sally.jacobs@furzeplatt.net to arrange an alternative date/time.

Every year our Senior Student team do sterling work to help around the community, organise fundraisers, support and mentor younger students and so much more.

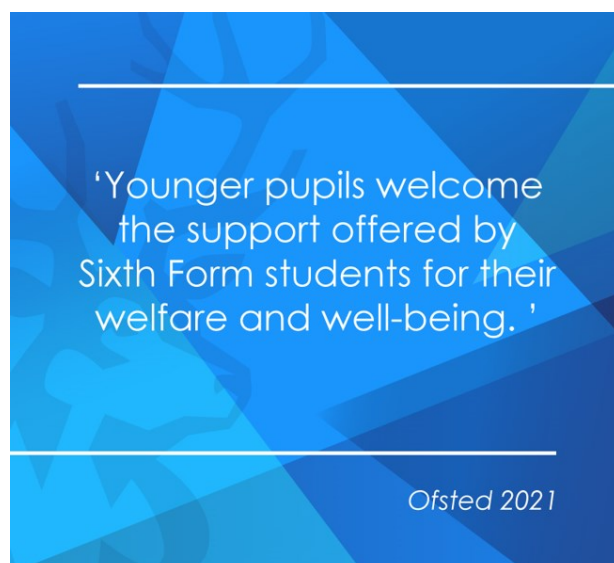

We are delighted to announce our newly appointed team for 2025 - 26:

Pictured l-r above: Fred Fletcher (Deputy Senior Student), Ed Foxton (Senior Student), Sophie McLachlan (Senior Student), Archie Appleton (Deputy Senior Student) and Sara Rendon (Deputy Senior Student).

Many congratulations to them all!

Thank you to our current team for their valued contributions:

Leila Meadows and Jayden Taylor (Head Students) and Luka Wilson, Abbie Harley Waters and Jack Britton (Deputy Senior Students). We wish you all the very best for the future.

STUDYBUGS - NEW ATTENDANCE APP

Please see below for details regarding a new Attendance App for all students.

Absences and medical appointments up until September can be reported on either Studybugs or Class Charts (our current system) but we would very much appreciate your assistance in registering for Studybugs ahead of September, so that any potential issues can be quickly resolved.

STUDYBUG - LETTER FOR PARENTS AND CARERS

STUDYBUG - USER GUIDE

Thank you for your continued support..

Ms L Lewis, Deputy Headteacher and Attendance Lead

YEAR 10 GCSE MUSIC CONCERT

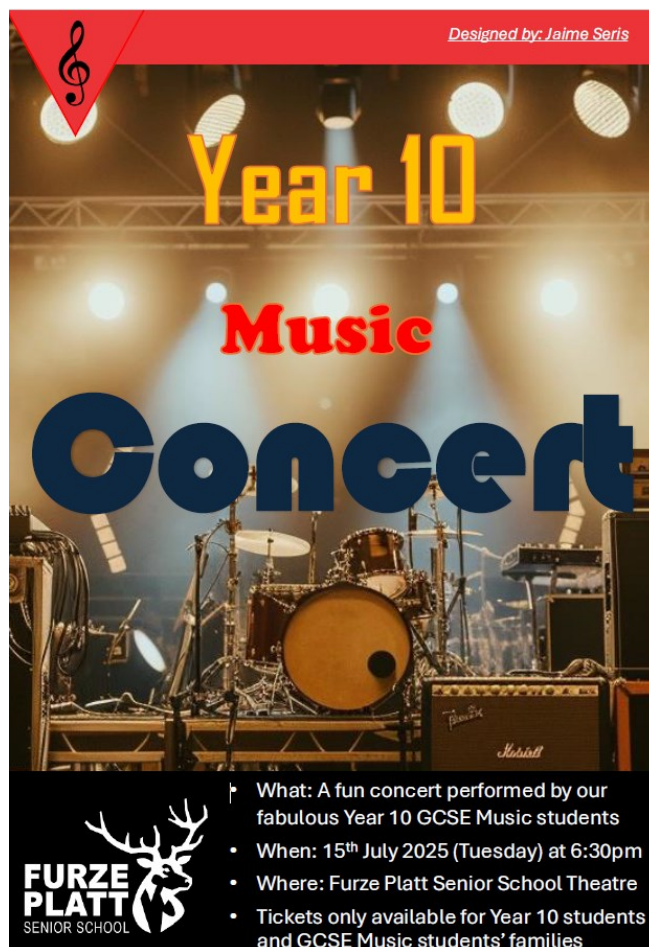

Furze Platt's Music Department proudly presents this year's Year 10 GCSE Music Concert, featuring our talented Music students in a range of different performances bound to delight and entertain you!

Tickets are only available for Year 10 students and GCSE Music students' families & friends.

Tickets are free but seats should be booked via the link below:

BOOK TICKETS HERE

REMINDER: WATER SAFETY

As the hot weather continues, please can families remind their children of the risks of our local rivers and their hidden currents.

We know from the local press that far too many young lives have been lost on the Thames during previous years.

Areas located near to Weirs and Sluices, the Government advises, are particularly dangerous sections of the river.

Thank you.

SCIENCE FAIR

Our Science Fair was a vibrant celebration of science, creativity, innovation, and discovery. The event was filled with energy, enthusiasm, and truly impressive work from all our participants. From detailed investigations to imaginative designs, every project reflected hard work, curiosity, and a passion for learning.

We are proud to announce this year's winners:

- * **1st Place** – Julio Sovegni, whose outstanding project demonstrated exceptional scientific thinking and depth.
- * **2nd Place** – Felix Beard, who wowed the judges with his creativity and well-executed investigation.
- * **3rd Place** – Felix Parson, recognised for clarity in their scientific approach and presentation.
- * **Innovation Award** – Khalid Yusuf and Bernando Cruz Domenzain, whose fresh ideas and original thinking truly stood out.

A huge thank you to all our participants for the effort, time, and enthusiasm you brought to the fair. Your commitment made the evening a true celebration of young minds pushing the boundaries of what's possible. **We are incredibly proud of the work you've done - your ideas, your dedication, and your courage to explore have been nothing short of inspiring.**

Next year's Science Fair will be here before we know it - so we encourage everyone to start thinking now! Let this year's inspiration spark new ideas, new questions, and new discoveries. We can't wait to see what you'll come up with next!

Dr Wyatt and the Science Department

INTRODUCING SPARX SCIENCE

This term the Science department have been using the new online educational platform Sparx Science and we would encourage any student who has not yet tried it to give it a go!

Sparx Science is made by the same team behind Sparx Maths which has been used so successfully by the Maths department this year.

The platform provides deliberate practice aligned with the school's curriculum, with the practice personalised to each student's level and support being provided when students are stuck. Teachers are then able to provide dedicated lesson time to discuss common mistakes and potential improvements. Sparx Science's own research has found a strong positive correlation between the amount of practice done on Sparx Science and progress by students, with students who did 40 minutes of practice a week doing 15% better than students who did no practice.

Congratulations to the following students who are currently the 5 highest Sparx Science users in the schools! All have been awarded lots of extra points for themselves and their House ahead of next week's End of Term assembly:

1. Mathew Chew (Year 10)
2. Lilly Hodge (Year 8)
3. Alyssa Downing (Year 9)
4. Alfie Everson-Plant (Year 10)
5. Tom O'Shea (Year 8)

YEAR 10 - WORK EXPERIENCE

It has been fantastic speaking to Year 10 students over the past two weeks about their experiences at their work placements, and the valuable skills they have developed.

Students and employers have had the opportunity to add feedback on the Unifrog platform, and it would be great to receive some parental views on the three days.

Please could you complete the following short survey with your views on this year's work experience:

[PLEASE CLICK HERE FOR SURVEY](#)

Miss L Stirling, Work Experience Co-ordinator

UNIFROG

To continue to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are using Unifrog: an award-winning, online destinations platform. All students in Years 7, 8, 9 and 10 have an account on Unifrog and have used it in their careers education lessons in PSHE. In addition, Year 10 students have used it to manage their work experience placement.

What is Unifrog?

Unifrog is designed to support learners in making informed decisions about their futures, with a range of tools that are suitable for all year groups. Each student has their own account that provides a range of information related to their interests and aspirations.

Key features of the platform for students include:

- Psychometric testing quizzes
- Career and subject exploration
- Webinars and interactive short courses
- Self-reflection and portfolio building tools
- Search tools for live apprenticeship and employer opportunities, and university courses
- Application and essay-building tools

We encourage you to use the platform with your child so you can support them through the process of deciding on their next steps. To do this, we've set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to access the same resources and tools as your child.

To make your account, click on the link below and input the sign-up code **PLNQPARENTS**. This code will expire by mid-September. Once you are on Unifrog, your child should be able to show you what to do!

[PLEASE CLICK HERE TO CREATE UNIFROG ACCOUNT](#)

You can also sign up to Unifrog's parent/carer newsletter to get expert advice and guidance on supporting your child with their next steps.

For more information, please click the link below

Mrs J Bubb, Careers Leader

YEAR 12 MOCK INTERVIEWS

We were delighted to organise and host our third annual Mock Interviews for our Year 12 students on Wednesday.

Thank you to the 38 interviewers who generously gave up their time to come and interview our students and give them feedback on their CVs and interview skills.

Amongst our interviewers, we had governors, alumnae, parents, colleagues' relatives, friends and people from the local community who wanted to give something back. Between them they had such a range of backgrounds, industries and areas of expertise.

This year we worked hard to match our students' aspirations for the future to their interviewer and we prepped the students for the last 3 days in Form Time covering interview skills, the STAR method and most importantly researching who they would be meeting.

It was so good for us to see our students entering the room a little nervous and yet leaving with beaming smiles and a real confidence boost.

Feedback from students and interviewers has been so positive, with this email coming in as soon as one of the interviewers got back to her desk: "It was a privilege to meet four of your sixth form students, and we loved talking to them. What an impressive group of young people, they all came across really well and are a credit to the school."

We hope to see all of our interviewers again next year and if you are reading this and thinking "I want to be a part of that", do get in touch!

Mrs C Beale, Coach, Careers Advisor & Leader

OUR INTERVIEWERS SAID...

Julie Wood • 1st
Head of Fundraising at Chickenshed Theatre

16h ...

Such a lovely bunch of students. Loved every minute and super proud to call myself a Furze Platt alumni!

5h ...

I know it was a lot of extra work to match the students interests with the interviewers job roles but it certainly made the whole experience much more fluid and hopefully made it incredibly helpful for the students. It was a pleasure and a privilege to be a part of the day and I look forward to coming back next time.

6h ...

[Claire](#), thank you for organising such an incredible session and for inviting me to join.

The calibre of the students I saw, their commitment and enthusiasm were astonishing. I was pleasantly surprised when a few mentioned they'd looked me up on LinkedIn, you did a wonderful job in preparing them for the day.

Looking forward to next year!

THE DASH CHARITY

This week the second half of Year 10 have had their talk from Domestic Abuse Stops Here.

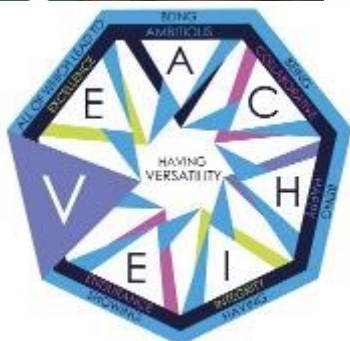

Thank you to Gaby Laking for your talk.

MORNING FITNESS

Morning Fitness Club students working on their upper body pulling strength. End goal of 2025 will be 3-5 strict pull ups for some and 5-8 for others.

ENRICHMENT AT FURZE PLATT YEAR 9

MURAL PAINTING

What a talented group of artists we have here at Furze Platt!

A huge thank you to:

Sarina Miiro

Omayma Sayagh

Sophia Mormech

Zara Wibberley

who have all been hard at work this week on our latest striking mural with Mrs Barnes.

STAGE COMBAT

Year 9 also enjoyed a Stage Combat session where they learnt the art of making play fighting look extremely realistic!

FREE WEBINAR

TUESDAY 15TH JULY, 6-7PM

Next week, Elevate Education are holding a free webinar for parents and carers:

*** 'How You Can Set Your Child Up For Success' on Tuesday 15th July, 6-7pm**

elevate
education

TERM 6 CLUBS

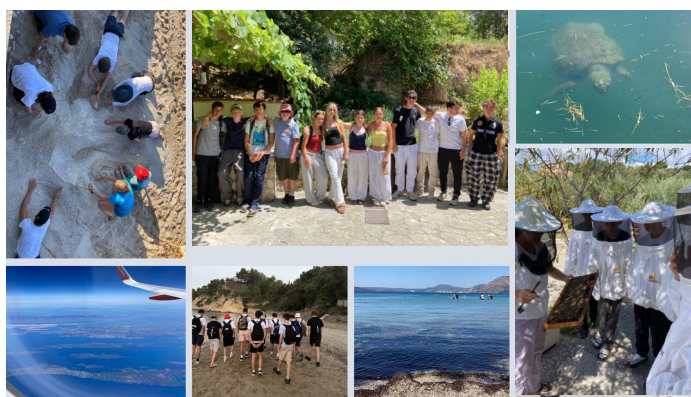

Clubs for September will be sent out on Friday 5th September.

A list of clubs is updated every Friday afternoon on our website here:

CLUBS LIST FOR TERM 6

OUT AND ABOUT THIS WEEK'S TRIPS AND VISITS

From a truly memorable time away in Greece...

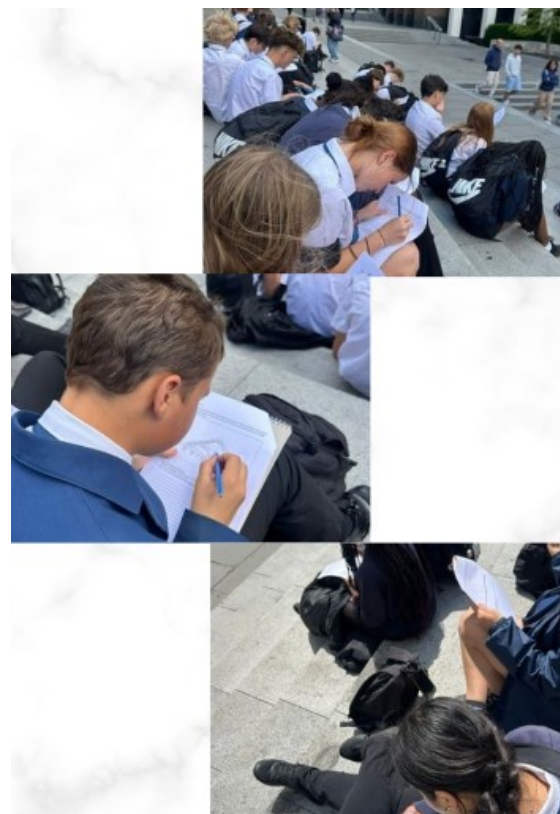

...to Surrey for a fabulous day out at Thorpe Park with our Year 10 Travel and Tourism students!

Some of our Year 9 Art & English students also had a wonderful personal development trip to London:

'Art and language are twin vessels of creativity. One paints with colour, the other with words, but both shape how we imagine, feel, and understand the world.'

GARDENING CLUB UPDATE from Mrs Cook

Many thanks to Mrs Alexander (FRPharmS, MBE, Professor Emerita, University of Reading) who kindly gave Gardening Club students and staff a tour of her plot - including her first attempt at growing soya beans - and a talk on three Garden Organic citizen scientific projects.

The two current projects are:

1. The Revival of the Garden Pea
2. Building a Better Veg Planner

The first project is aimed at trialling Carlin peas and Latvian peas to evaluate them for growth, yield and acceptability.

To read more about this project please click the link below.

[CLICK HERE FOR 'THE REVIVAL OF THE GARDEN PEA'](#)

To gain a better understanding of the timescales for growing vegetables (in this case climbing French beans) in different regions of the country and to observe any changes or trends.

[CLICK HERE FOR 'BUILDING A BETTER VEG PLANNER'](#)

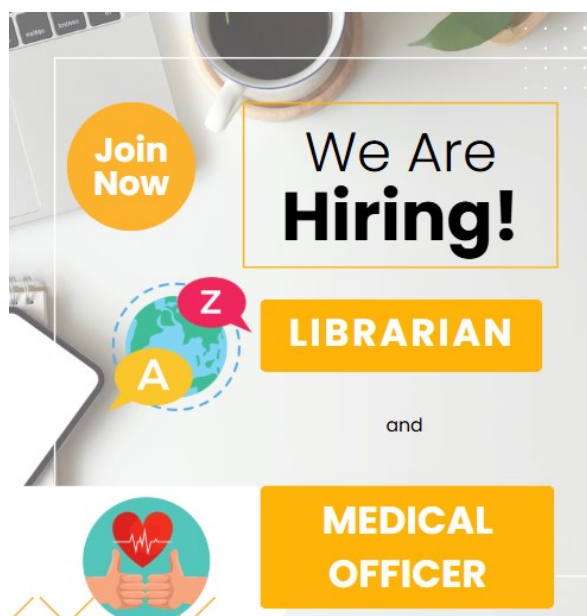

The final (now completed) trial, was to learn whether compostable plastics would degrade in home composters. Shockingly many of the so called 'biodegradable' products she trialled did not degrade.

[CLICK HERE FOR COMPOSTING PLASTICS](#)

We were also delighted to be offered a taste of cooked Carlin peas followed by fresh gooseberries after some further information on composting! It was a perfect hour well spent in this productive space.

Next week is our last club of the term. We thank all our members for their commitment and enthusiasm and we are looking forward to starting some new projects of our own in September!

Furze Platt Senior School has some exciting opportunities for September – including a Librarian role with real potential to make an impact.

This is a fantastic chance for someone with vision, creativity and a love of reading to transform our school library into a vibrant hub of learning and imagination. If you're passionate about engaging young people and championing literacy, we'd love to hear from you.

For more details, or to apply for the position of Librarian, please click the link below:

LIBRARIAN VACANCY

We're also looking for an empathetic, confident and highly organised individual to lead our medical and welfare provision for students as our Medical Officer. This is a key role at the heart of our school, supporting both day-to-day first aid and the wider wellbeing of our students.

From managing care plans and PEEPs to co-ordinating immunisation programmes, liaising with external professionals, and contributing to policy, this is a role with real variety and impact. You'll also support staff working with students who have complex medical needs, contribute to trip planning, and play a crucial role in our inclusive provision.

For more details, or to apply for the position of Medical Officer, please click the link below:

MEDICAL OFFICER VACANCY

SATURDAY 12TH JULY 11AM - 1PM
IN THE MUSIC BLOCK
