

MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

Trips, Visits and Fixtures

Students have enjoyed a range of trips out this week, including to the Natural History Museum for our second Year 8 group, a National Theatre Live acclaimed production of 'Hamlet' for Sixth Form English students, and a visit to Brasenose College, University of Oxford, for an in-depth look at higher education and university life.

Before the end of term, Year 10 Art students are going to the V&A; in addition, Sixth Formers will attend the National Apprenticeship Show and for those studying Media, a trip to Warner Bros Studios. There have also been a number of sports fixtures in football, netball and basketball.

Thank you to everyone involved for helping to provide our students (and staff) with some really special memories.

Remembering the Holocaust

On Tuesday Year 9 History and Art students visited Norden Farm for Holocaust Memorial Day, with a film and workshops for students. Thank you to all who supported this visit. Well done also to all our young people who engaged so well with these sessions on an important but emotionally difficult subject.

Year 9 Options

Thank you also to the many parents and carers who attended the Options Evening this week. Students learnt about the broad range of courses on offer as well as learning about the Options process.

Students now have a few weeks to finalise their choices and to look at their potential future subjects - this will be easy for some but advice is on hand for those who may need it. Options forms have been sent to students today.

HOW DOES FPSS SUPPORT MY CHILD'S PERSONAL DEVELOPMENT?

At Furze Platt Senior School, personal development is at the heart of everything we do.

We support students in building character, resilience and a strong understanding of the wider world through meaningful experiences, opportunities and positive relationships.

In January, our tutor-time personal development sessions have focused on:

- New Year's Resolutions
- Vaping
- Holocaust Memorial Day
- Sustainability

Alongside a rich programme of enrichment activities, trips and strong pastoral support, we help students thrive both in and beyond the classroom, preparing them to become confident, well-rounded individuals.

On Tuesday, our Year 9 History/Art students visited Norden Farm to understand more about the Holocaust.

We had almost 40 students take part in Holocaust Memorial Day activities, including the viewing of the film 'Nicky's Family' and a Q&A with Sir Nicholas Winton's son, Nicky Winton.

Year 12 visit to Brasenose College, University of Oxford

A number of students in Year 12 visited Brasenose College, University of Oxford, aimed at developing knowledge of higher education routes. Brasenose, with its magnificent set of historic buildings located in the heart of Oxford, offered a fantastic day for students to understand more about life at university.

Sophia Mormech, Hannah Peck, Izzy Keane (all Year 10) and Katie Ward (Year 9) who play for Maidenhead U15s won their quarter final of the Berkshire and Buckinghamshire County Cup against top of the league Henley to go through to the semi finals. They went through on penalties after a 3-3 thriller, with Sophia scoring a penalty and Izzy Keane saving the last penalty to send them through!

Thomas Ling (U15) and Joe Brooker (U17) both qualified to run for Berkshire in the South Schools Inter Counties Cross Country Championship in Chelmsford next Saturday. If they are in the top eight qualifiers for Berkshire they will go to the National Final in Liverpool.

Good luck to them all.

CYCLE SAFETY

We have been made aware of some pupils putting their safety at risk whilst riding to school.

We advocate for the health and environmental benefits of cycling but we do ask parents and carers to ensure their child travels safely.

Please ensure your child:

- Has an appropriate helmet
- Has a bike fitted with lights for darker days
- Is not undercutting vehicles

Thank you for your support.

TIME TO TALK DAY

THURSDAY 5TH FEBRUARY

Next week marks **Time to Talk Day** on Thursday 5th February 2025. Time to Talk Day is the nation's biggest mental health conversation. Talking openly and honestly can be the first step towards better mental health for everyone. It can reduce stigma and help people feel comfortable enough to seek help when they need it. Children's Mental Health Week also follows on 9th – 15th February.

To mark these important events we will be reminding pupils of the importance of supporting our mental health and the support on offer both in and out of school.

Our talented students would like to invite you to this year's production in February - **We Will Rock You** - a high-energy, feel-good musical that celebrates individuality and the power of live music, set to the iconic songs of Queen.

Picture a dystopian future, where originality, free thought, self-expression and live rock music are forbidden. How will the Bohemians - a rebellious group of young people, - change this world? Dare they believe that music holds the power?

With a live band and outstanding student performances, we can't wait to welcome you!

GARDENING CLUB UPDATE

Gardening Club were delighted to plant a cherry bush kindly donated by one of our neighbours from the Cranbrook Drive estate — thank you very much for your generosity!

We also relocated a gooseberry bush to a better spot, so fingers crossed for a great harvest this year.

Next week, we're looking forward to taking part in the RSPB Big School Birdwatch alongside Science Club.

A reminder to students in Years 9, 10 and 11 that Gardening Club can be used towards the Duke of Edinburgh Award skills or volunteering section.

UPDATE FROM THE PTFA

Thank you to everyone who came to Monday's PTFA AGM.

We were delighted that the roles of Treasurer, Secretary, School Liaison, 200 Club Coordinator and Uniform Coordinator have all been filled for the coming year. However, we are still looking for a Chair or Co-Chairs, and without a Chair the PTFA's future is in doubt.

At the moment, the PTFA raises in the region of £12,000 a year. This money is of vital importance to the school. At Monday's meeting we were happy we could agree to all funding requests, which came in from departments across the school: PE, Technology, Music, Performing Arts and Year 11.

The Chair's role is to run the meetings (these happen once a term). It is very rewarding and not too time-consuming! If you'd like to learn more, please contact us via the link below. Thank you.

EVERY DAY COUNTS

APPOINTMENT PROTOCOLS

Please can we remind all parents/carers, that we request that medical/dental appointments are ideally taken out of school time, however, the school recognises that it is not always possible.

When a student must attend an appointment during the school day, we ask that they are made where possible after 1.30pm, as to minimise the amount of lost learning.

If you are unable to make an appointment outside of school, please ensure that your child attends either prior to the appointment and/or after the appointment.

Full day absences for appointments will only be authorised with supporting medical documentation.

Thank you for your assistance and support moving forwards.
