

MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

We Will Rock You

I am massively looking forward to one of the highlights of our school year next week with 'We Will Rock You' coming to the Theatre on Tuesday, Wednesday and Thursday. The staging looks great and rehearsals sound amazing. The best of luck to all the cast who have been working so hard to prepare for the show and I, along with many others, cannot wait for an enjoyable and entertaining musical extravaganza.

You can see more photos of the show preparation on pages 4 and 5 of this newsletter.

There is a huge amount of support available within and beyond school so please do contact class teachers if required.

Sixth Form Interviews

One of the joys of my week has been interviewing our fantastic Year 11 students who have applied for FPSS Sixth Form. Without exception they have been engaging and passionate about their studies and goals. It will be a pleasure to welcome each to our Sixth Form this September.

Year 7 and Year 9 Celebration Breakfasts

Finally, many congratulations to our Year 7 students (pictured) who have made the most progress since starting with us. This is a very impressive start to their time at Furze Platt. It is fantastic to see them all not only settling in

FPSS ROADSHOW

Typography Monsters Workshop at Cookham Rise!

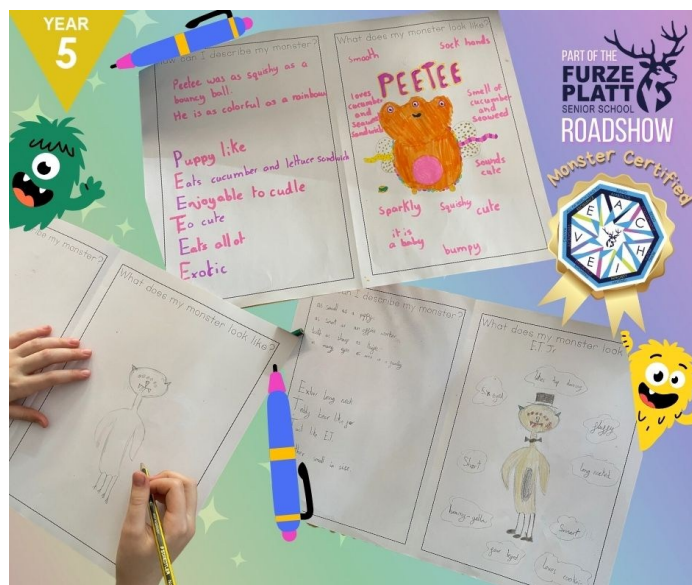

YEAR
5

We're excited to share that our newly rebranded FPSS Roadshows are back — and heading out into our local community as part of our transition programme!

On Wednesday 4th February, our Art and English Departments visited Cookham Rise Primary School to deliver a fun and creative Typography Monsters Workshop for Year 5 students.

Pupils designed their own monster characters using letters of the alphabet, then brought them to life through creative writing — a brilliant blend of imagination, storytelling, and expressive art.

Mr Twiney and Mr Akers said the workshop was a huge success. Students were fully engaged and loved exploring our ACHIEVE values, even weaving them into their monster drawings and stories. A fantastic way to share what makes Furze Platt special!

We're looking forward to more FPSS Roadshows across our feeder schools soon.

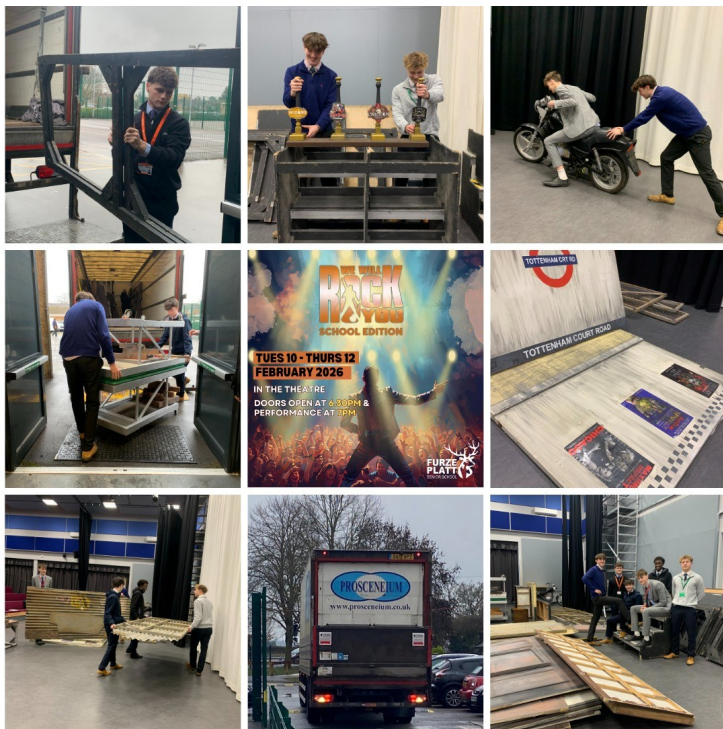

IT'S NEARLY TIME FOR 'WE WILL ROCK YOU'!

This is just some of what goes into making it work...

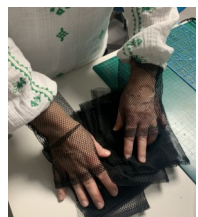

A huge thank you to our fantastic Sixth Form 'heavies', who not only helped unload everything from the truck but also took the opportunity to test out a few of the more... interesting props — including the beer bar draft handles and the motorbike!

With the stage now taking shape, the countdown is on. This year's show is bursting with energy, talent and a seriously impressive set — and you're invited to see it all come to life.

Our fabulous costume department has been working flat out this week - from making accessories late into the evening, to perfecting the spectacular looks that bring our WWRY characters to life.

Our Music team built the electric drum kit for our live band - the sound on this show is just amazing!

Our brilliant cast and live band have been working through some of Queen's most iconic hits, including: 'Radio Ga Ga', 'I Want to Break Free' and 'Somebody to Love'.

Behind the scenes, our actors have been bringing huge energy and personality to their roles — Killer Queen, Scaramouche, Khashoggi, Galileo, Buddy and the Bohemians to name a few — are already shaping up to be unforgettable.

Our superb theatre technicians have been hard at work during our full run-through for We Will Rock You. From lighting to sound to every detail behind the scenes, they're laying the foundations for a show that's going to blow the roof off our Theatre!

Costume Reveal Day!

One of the most exciting moments in the rehearsal process is when the cast finally gets into costume — and wow, what a difference it makes!

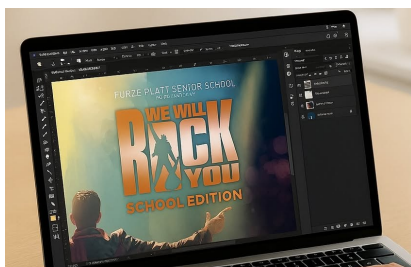

Suddenly the characters come to life, the energy lifts, and everything starts to feel real. Seeing the cast step into their full looks for **We Will Rock You** has taken rehearsals to a whole new level, and we can't wait for you to see them shine on stage next week!

A huge well done to everyone involved in bringing the costumes together — from trawling charity shops for hidden gems, to students bringing in pieces from home, to staff and students sewing, stitching, altering and creating items from scratch. It's a massive team effort, and it truly shows.

We are busy putting together our glossy, full colour souvenir programme for you to enjoy — it's the perfect keepsake to remember this year's incredible school

musical! Featuring cast profiles, behind the scenes content, rehearsal photos and more, it's a brilliant way to celebrate and support our amazing students.

YEAR 10 DRAMA PERFORMANCE

YEAR
10

On Wednesday 21st January, our Year 10 GCSE students performed extracts from *Blood Brothers* which is the set text for GCSE.

Students were brilliant at embodying the characteristics of the characters in the text, with great comic moments from Mickey and Edward to tension between Mrs Johnstone and Mrs Lyons.

For some students, this was their first performance in front of a large audience, although nerves were high, all students managed themselves brilliantly and should be very proud of the work they put in!

Well done to all involved.

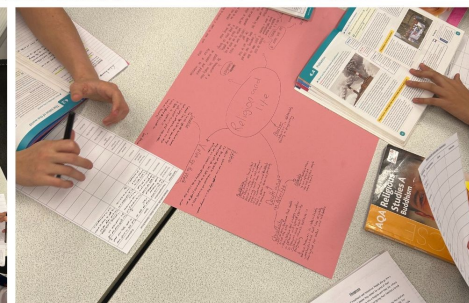

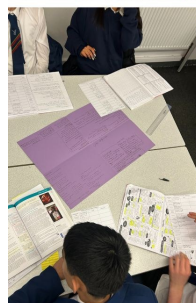

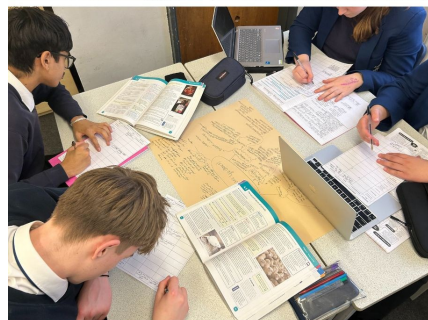

YEAR 10 PHILOSOPHY & RELIGION

YEAR
10

Year 10 students have been hard at work revising for their PPEs at the end of February.

As well as a team challenge of blurring key information about Religion and Life, students then recalled quotes to really embed their learning.

SPORTING SUPERSTARS

A fantastic result by our U15 boys who were victorious against The Piggott CofE School, winning 3-0.

A rewarding game with multiple examples of real team collaboration that led to an ideal result.

LOST PROPERTY

If your child has come home without their belongings please ask them to come to lost property.

If items are named we can get them back to their owners but we have a lot of unnamed clothing including PE kits, trousers, white shirts, lots of coats, shoes, trainer, hats and scarves.

If you have not done so already please can you ensure all the above are clearly marked with your child's name.

Thank you.

APPOINTMENT PROTOCOLS

We request that medical/dental appointments are ideally taken out of school time, however, the school recognises that it is not always possible.

When a student must attend an appointment during the school day, we ask that they are made where possible after 1.30pm, as to minimise the amount of lost learning.

If you are unable to make an appointment outside of school, please ensure that your child attends either prior to the appointment and/or after the appointment.

Full day absences for appointments will only be authorised with supporting medical documentation.

Thank you for your assistance and support moving forwards.
