MESSAGE FROM THE HEADTEACHER

Year 11 Graduation

With Year 11 examinations finally complete, on Wednesday we said goodbye to our Year 11 students and their families in our Graduation Ceremony. We were delighted to be joined by The Worshipful, the Mayor of the Royal Borough of Windsor and Maidenhead, Councillor Siân Martin as well as our Chair of Governors, Katie Mair.

I am grateful to both for sharing their educational experiences and life lessons.

During Graduation, our Head of Progress, Nic Jones, Pastoral Manager, Jemma Barney, and the Year 11 Tutor Team shared their memories of students before families and students moved onto the field as mortar boards were thrown in the air and many photographs taken. It was great to hear our community recalling school and life events that they have shared over the previous sixteen years.

Many thanks to James Dollery and his team for leading on this event. We look forward to the Year 11 and 13 Proms. You can read Mr Jones' speech on pages 6 and 7 of this newsletter.

SCHOOL TERM DATES

We look forward to welcoming many of our Year 11 students back into Sixth Form next year. For those saying goodbye, we wish you well and do share news of your future adventures.

Duke of Edinburgh

Congratulations to all our students who have undertaken their DoE Qualifying Expedition this week. With over 150 participating either in Bronze or Silver awards, there were a considerable number of FPSS students navigating the countryside in high temperatures. Well done to all those who completed the expedition successfully and many thanks to our staff who co-ordinate these adventures.

INSET Day Friday 19th June

A reminder that school will be closed tomorrow and we reopen on Monday 22nd June.

Have a lovely weekend.

Take care,

Dr Andrew J Morrison (BA Hons, PGCE, MA, PhD)

If your child would like to be considered for a subject change (we can no longer guarantee that a subject change request will fit), please contact both myself and Mr Sheppard. No option changes will take place over the summer holidays.

From September, please approach Mr Sheppard about any changes as I will be doing a different role and will no longer be overseeing options. The deadline for any class changes is Friday 18th September 2026.

I wish your child the best of luck with their future GCSE studies.

Yours sincerely,

Miss L Stirling, GCSE Options Lead

PERFORMING ARTS SUMMER SHOWCASE THURSDAY 2ND JULY AT 7PM

This year's Performing Arts Summer Showcase will feature a range of performances from many of our Music and Drama students.

Some work has been produced as part of their drama and music lessons and others in extra-curricular clubs in drama, music and dance. The whole evening will be run by Technical Theatre Club who will be the lighting, set and costume designers plus Front of House and Stage Managers.

Tickets are £5 for adults and £3 for under 18 / over 65. Book via the link below:

[PLEASE CLICK HERE TO BOOK YOUR TICKETS](#)

We look forward to seeing you there!

YEAR 9 OPTIONS

Year 9 students have been emailed confirmation of the GCSE option subjects they have been

allocated. The email has been sent to student's school email address. They do not need to respond to confirm the options are correct, but please do get in contact if you notice any errors.

We are delighted to announce our Senior Student team for the next academic year!

Senior Students: Pablo and Sofia

Deputy Senior Students: Zach, Anna and Leo

There was a very high standard of applicants this year, thank you to everyone who applied.

They will be following in the footsteps of an outstanding Senior Student team this year.

A heartfelt thank you to our 2025-26 Senior Students Ed and Sophie, and to Deputy Head Students Sara, Fred and Archie.

Due to the high temperatures forecast for Monday, students may wear their school PE kit if they wish; please ensure they have suncream, sunhats and water.

A reminder of the groups/dates:

Monday 22nd June- 7f/Hi1 7f/Hi2 7f/Hi3

Tuesday 23rd June- 7f/Hi4, 7p/Hi1, 7p/Hi2

YEAR 10 TURTLE CONSERVATION, GREECE, JULY 2027

Information evening

Wednesday 24th June 7pm Furze Platt Theatre

For students currently in Year 9

We will be running a trip to Kefalonia, Greece next summer for next year's Year 10 students (those currently in Year 9).

We have been partnering with Flooglebinder, a travel and conservation company, for the last three years. They are the first B-Corp certified travel company and are experts in delivering educational programmes that create change for people and the planet.

During the 9-day trip students will get hands on experience of turtle conservation, they will learn about their anatomy and the important role they play in an ecosystem. As well as how to protect them and the anthropogenic impacts that are affecting their distribution and behaviours.

Given the school's own sustainable trip targets, we are confident that this trip can provide the students with an unforgettable experience while ensuring minimal social and environmental impact on the ecosystem. Turtles here we come!

To find out more about the trip we are inviting parents and students to an information evening on **Wednesday 24th June at 7pm** in the school theatre, with our partners Flooglebinder where you can learn more about the adventure and ask questions.

YEAR 8 WILDLIFE CONSERVATION AND SUSTAINABILITY TRIP - WALES 2027

Information evening invite

Wednesday 24th June 2026 – 6pm School Theatre

For students currently in Year 7

We will be running a trip to Pembrokeshire, Wales again in the Summer of 2027 for next year's Year 8 students (those currently in Year 7).

We have been partnering with Flooglebinder a travel and conservation company for the last three years. They are the first B-Corp certified travel company and are experts in delivering educational programmes that create change for people and the planet.

On this 4-day adventure in South Wales, students will be immersed in all things wildlife, conservation, and sustainability. The Expedition also works on teambuilding, communication, and personal development skills.

Itinerary Overview

Day 1 – Bug Farm – Learn about sustainable protein sources, get up close and personal with the bugs and if you fancy it try some delicious food in the restaurant made from insect protein!

Day 2 – Coasteering – navigate the sea cliffs of Pembrokeshire with a qualified instructor, climbing the rocks and jumping into the sea.

Day 3 – Boat tour and Explore St David's – Take a trip around Ramsey Island by boat to see the seals and bird life, if you're lucky you might get a glimpse of the dolphins!

Day 4 – sustainability presentations and workshops on the beach – explore the rock pools on the beach and learn about the uses of seaweed and the effect micro plastics are having on our marine life.

To find out more about the trip we are inviting parents and students to an information evening on **Wednesday 24th June at 6pm** in the school theatre, with our partners Flooglebinder where you can learn more about the adventure and ask questions.

We look forward to seeing you on 24th of June.

Mr D Randall, Outdoor Education and Enrichment Coordinator

“Good afternoon everyone,

Parents, carers, colleagues, and most importantly, our incredible Year 11 students.

Today is a moment to pause and reflect on a remarkable journey. For some of you, it may feel like only yesterday that you walked through the school gates for the first time. For others, it may feel like this moment has taken a lifetime to arrive. Either way, here we are.

What a journey it has been. This year group has experienced so much together and endured some challenging times.

You've shared tutor times where important conversations were had, friendships were strengthened, and hopefully countless laughs were enjoyed.

You've sat together in assemblies, celebrating achievements, recognising effort, and reminding yourselves of the values that define us.

You've been observed and tested, been on the end of difficult conversations, and challenged to raise your standards and believe in yourselves.

Some of you have had unforgettable experiences beyond the classroom: the incredible trip to Greece, the Geography field trips, Ski trips and the Duke of Edinburgh Awards, where you pushed yourselves physically and mentally, discovering strengths you may not have known you had.

I want to pay recognition to the individual that has been there for you all from the moment you stepped through the doors of FPSS to the time that you leave. The person that has been there to talk through worries, successes and to simply check in with. The person who would do anything and everything for each of you – Mrs Barney.

There have been good times, there have also been challenging times and times when things did not go to plan. Times when you felt under pressure and times when you maybe doubted yourself.

But what has always impressed me about this year group is your resilience.

You kept going, You learned to adapt and you learned that setbacks are not failures; they are opportunities for growth.

You have hopefully learned that success is not about never failing, but about giving it another go.

As your Head of Progress, I have had the privilege of watching you develop into mature, thoughtful, and ambitious young people. You are no longer the shy, quiet students who arrived at school years ago. You are young adults with experiences, character, and a story to tell.

Each of you has overcome obstacles. Each of you has shown determination. And as I told you in our first assembly in Year 8 all those years ago, each of you has unlimited potential.

Your future is not defined by one exam result, one challenge, or one difficult moment.

It is defined by your attitude, your courage, your willingness to work hard, and your determination to keep moving forward.

So as we close this chapter and you move on to the next chapter of your lives, remember the lessons Furze Platt has tried to instil into you.

Be resilient.

Be kind.

Work hard.

Support one another.

Believe in yourself, even when things feel difficult.

And when you achieve success - and I have no doubt that you will - remember to give something back.

Give your time, give your encouragement, give your kindness and your love.

Help others as you have been helped, because true success is not only about what you achieve for yourself, but about the positive impact you have on others and the ones looking up to you.

Year 11, it has been an absolute privilege to be part of your journey; I have learned so much from you and will always treasure this knowledge.

I am so incredibly proud of everything you have accomplished and even more excited about what lies ahead for all of you.

Go forward with confidence, with ambition and knowing that you are all capable of extraordinary things.

Thank you, Year 11, for the memories, the laughter, the challenges, and the moments that have made this year group unforgettable.

I am so proud of all of you, and I cannot wait to see what you do next. As it said in my book from you all, it's not goodbye, just see you soon.

Good luck, Year 11 - and thank you."

MEET A GOVERNOR

This week we find out more about Mari, Parent Governor.

Mari Ueckermann Parent Governor

"I have a son at FPSS. We've been living in the Furze Platt area for 14 years. My husband and I are from South Africa and have been living in the UK since 2008.

I've been working in the payroll software industry for many years. It has taught me to recognise where something is 'off', find ways to solve problems and persevere until it works a 100 percent. I hope this will help me in the Governor role.

The only other thing I can offer is to love and serve our school community. In my spare time, I love cooking for the family, singing in my church choir, swimming and daily walks with our dog.

I've learned to embrace the volunteer outlook to life in the UK.

I wish to plough back into the community that has served us well, with outstanding schools, churches and recreational facilities. "

THANK YOU

...for all the wonderful messages sent to our staff for Thank a Teacher day.

They were all very much appreciated.

CYCLING TO AND FROM SCHOOL

We are thrilled that so many of our pupils choose to cycle to school. Whilst we encourage this practice, we ask parents to support in some messaging about safe and courteous cycling.

We have had several reports of near misses where students have been cycling at speed, on the pavements near Gringer Hill bridge. Please remind children to be mindful and courteous of pedestrians and the speed at which cyclists are travelling.

We recommend all pupils cycling wear a helmet and are aware of the highway code for cyclists

Year 10 Visit to The Making of Harry Potter Studio Tour

Our Year 10 students studying Art & Design, Construction, Drama, Engineering, Fashion & Textiles, Music and Product Design recently enjoyed an inspiring visit to The Making of Harry Potter at Leavesden Studios.

The trip included a specialist workshop and a behind-the-scenes tour of the world-famous film sets, giving students a unique insight into the creativity, craftsmanship and technical expertise involved in bringing a major film production to life.

From prop making and concept art to set construction, costume design and mechanical effects, students were able to see how skills from a wide range of creative and technical subjects are applied in industry. The visit highlighted the many exciting career pathways available within the creative, engineering and entertainment sectors.

A fantastic day of inspiration, creativity and real-world learning, helping students see how the subjects they study today can lead to exciting opportunities in the future.

Well done to all students for representing FPSS so brilliantly throughout the visit.

The FUEL Project Team

Safeguarding to use: **Online safety**

What is Omoggle?

Omoggle is a new anonymous video chat site where users are paired with strangers and rated on their appearance by an AI algorithm. It's become a popular platform within the "mogging" trend where people are compared and ranked based on their looks - which has been growing quickly across platforms like Twitch and TikTok.

Why is it a concern?

The site's anonymous nature means young people can end up in an unmoderated space being judged on how they look, with no oversight. This kind of content is linked to body image issues, low self-esteem, and bullying, and it's particularly concerning for younger, more impressionable users.

Please be vigilant of your child's online activity and have open dialogue with them around what they are accessing.

For further advice and guidance the Furze Platt online safety hub has a wealth of information around keeping children safe online

As part of our online safety work Furze Platt purchases an online safety support platform for parents.

The Online Safety Hub is a online resource with lots of expert advice and guidance to help you manage your child's safety online as a parent.

It includes information on the latest hot topics when it comes to keeping children safe, such as how to manage your child's screen time, understanding the latest gaming platforms, what they mean for your child's safety and lots more.

Furze Platt families are offered a free Qustodio account facilitating parental controls on any 2 devices and free premium access for 30 days. This will allow you to gain more visibility on what's going on in your child's online world. You will have the ability to block dangerous content, introduce screen-free schedules, receive alerts for inappropriate content, keep tabs on their location and more.
