

MESSAGE FROM THE HEADTEACHER

Open Evening

A huge thank you to all the students, staff, parents and carers who assisted with our Open Evening. You were fabulous ambassadors for FPSS and thoroughly impressed our visitors.

The school was alive with a whole series of displays and demonstrations, but what was very noticeable were the wonderful human connections created by people sharing their experiences of FPSS. Your support in showing everything that is special about FPSS is greatly appreciated.

For our prospective parents and carers, we would appreciate it if you could take a few moments to complete our short feedback survey about the event. Your views and feedback are valuable and will help us shape and improve future events.

OPEN EVENING FEEDBACK SURVEY

Longridge and Woolley Firs Visits

Next week sees our Year 13 Biology students visit to Woolley Firs and all of our Year 7 students at Longridge. I am looking forward to joining Year 7 for two afternoons of activities including climbing and dragon boating.

In particular, I am looking forward to seeing how students thrive beyond the classroom, demonstrating broader skills including their teamwork.

Senior Maths Challenge

Finally, good luck to our Sixth Form students undertaking the Senior Maths Challenge next Wednesday. I hope you strike gold!

Wishing you all a wonderful weekend.

Dr Andrew J Morrison, Headteacher
(BA Hons, PGCE, MA, PhD)

PARENTS' EVENING DATES 2026–2027 SAVE THE DATE

A reminder of our Parents' Evening schedule for the 2026–2027 academic year. These evenings provide an important opportunity for parents and carers to meet with subject teachers, discuss their child's progress, celebrate successes, and identify areas for further development.

Please make a note of the following dates:

- Year 11: Thursday 22nd October 2026
- Year 12: Thursday 19th November 2026
- Year 13: Thursday 10th December 2026
- Year 9: Thursday 21st January 2027
- Year 8: Thursday 11th March 2027
- Year 10: Wednesday 24th March 2027
- Year 7: Thursday 22nd April 2027

Information regarding appointment booking and timings will be shared with parents and carers nearer to each event.

Best wishes,

Miss R Lake (NPQH)
Deputy Headteacher

YEAR 7 TRIP TO LONGRIDGE

As part of our Year 7 transition programme, students will soon be taking part in our exciting Longridge Activity Days at the Longridge Activity Centre in Marlow. These days provide a fantastic opportunity for students to strengthen friendships, develop confidence, build resilience and work collaboratively with their peers outside the classroom environment.

Students will enjoy a range of adventurous activities, including climbing, dragon boating, team challenges, Jacobs Ladder, crate stacking, laser tag and trebuchet building. Activities are designed to encourage teamwork, communication, problem-solving and perseverance, all of which reflect our ACHIEVE values.

Please note: We already hold all necessary permissions relating to participation in water-based activities as this information was collected as part of the admissions process when your child joined Furze Platt Senior School.

All Longridge activity groups have now been finalised and submitted in preparation for next week's visits. The Year 7 tutor team informed students of their group allocation during tutor time this week (Thursday).

The visits will take place as follows:

- Monday 5th October: 7DNB, 7EJK, 7EWS
- Tuesday 6th October: 7HAM, 7ISS, 7LED
- Wednesday 7th October: 7MIG, 7THA, 7VOJ

Students should be dropped off at Longridge Activity Centre, Marlow, by 9.00am and collected at 3.15pm. Further information regarding travel arrangements, kit requirements and medication can be found in the presentation below (these details are also available on our website). Please ensure students bring any required medication, including inhalers and EpiPens, as these are essential for participation.

We are looking forward to giving our newest Furze Platt students the opportunity to challenge themselves, make new memories and continue building the strong relationships that will support them throughout their time at school.

SIXTH FORM OPEN EVENING

THURSDAY 26TH NOVEMBER

This event will take place from 6-9pm and will be followed by a late start the next day for all students.

LATE START: FRIDAY 27TH NOVEMBER

Students in all year groups will have a 9.15am start and go straight to their first lesson (no form that day).

CAREERS & HIGHER EDUCATION FAIR

WEDNESDAY 2ND DECEMBER

Further details of this event for attendees will be sent out in due course.

VOLUNTEERS NEEDED!

On Wednesday 2nd December, from 3.30pm to 5.30pm, we will be hosting our annual Careers and Higher Education Fair.

We are looking for parents, carers, alumni, or professional contacts who would be willing to talk to students about their career, industry, apprenticeship pathway, higher education journey, or area of expertise. This is a fantastic opportunity to inspire young people and help them explore the wide range of opportunities available to them after school.

Whether you work in healthcare, engineering, law, finance, the creative industries, technology, public services, hospitality, construction or any other sector, we would love to hear from you.

If you are interested in supporting the event, or know someone who may be able to help, please contact our Careers Leader, Judith Bubb, via the link below.

Thank you for helping us broaden our students' horizons and prepare them for their future careers.

LAPTOPS

As a reminder, our school is a laptop school for learning. iPads and tablet devices are not permitted for use in lessons.

Please ensure your child leaves their iPad or tablet at home and attends school each day with their laptop and charger, fully prepared for learning.

Thank you for your continued support.

SCHOOL CLUBS

Term 1: September to October half term

Parents and carers of students in all year groups have been sent e-mail invites for this term's clubs. The email is headed Furze Platt Senior School with the email address evolve.furzeplattsnrvisits@edufocus.co.uk and the links will be safe for you to click on to confirm your child's attendance. If you have not received an email please check your junk / spam folders.

Our Gardening Club worked their magic this week, transforming the Maths planters into beautiful displays of colour and creativity. A huge thank you to everyone who helped bring the planters to life. They look fantastic!

SPORTS LEADERS

APPLICATIONS NOW OPEN

Are you passionate about sport and keen to make a difference at Furze Platt? Applications are now open for our 2026-27 Sports Leaders programme for students in Years 9-13.

This is an exciting opportunity for students who want to help shape and improve sport across the school. Sports Leaders support the PE department by organising events, leading student voice activities, representing the department at school events, and helping to enhance sporting opportunities for all students.

The role is ideal for students with a passion for sport, coaching, leadership, journalism, officiating, or those considering further study or a future career in sport.

To find out more about the role and application process, please see the attached presentation (link below).

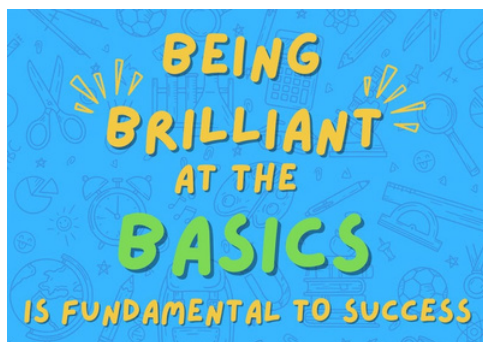

APPLICATIONS SHOULD BE SUBMITTED
TO MISS BOSELEY, HEAD OF PE
(DANIELLE.BOSELEY@FURZEPLATT.NET)
BY WEDNESDAY 7TH OCTOBER.

BRILLIANT AT THE BASICS - EQUIPMENT

Students should arrive each day with a fully charged school laptop and a well-stocked pencil case containing pens, pencils, a ruler, an eraser, a pencil sharpener and a scientific calculator. A scientific calculator is particularly important for mathematics and science and will support students in lessons, assessments and examinations.

For Key Stage 4 students, we recommend a clear pencil case containing all essential equipment, including highlighters, in preparation for examinations. Please remember that iPads and other tablet devices are not permitted as a substitute for a school laptop. Please check your child's equipment and replace any missing or worn items. Being prepared helps students feel confident, organised and ready to learn.

LANGUAGES WEEK 2026: INTERNATIONAL BAKE OFF!

Last week, our Modern Foreign Languages Department challenged students to get creative in the kitchen by baking a cake inspired by a different culture or decorating their cake with an international theme.

And what a fantastic selection of cakes we had! From colourful decorations to creative cultural inspirations, our students certainly rose to the challenge.

All cakes were judged by our esteemed panel of judges before being sold to students during Break 2 – with all funds raised going to Thames Hospice.

INTRODUCING OUR NEW HOUSE CAPTAINS!

We are delighted to announce our new House Captains for Hawk, Eagle, Falcon and Osprey.

These students have been selected to represent their houses and will play an important role in leading, inspiring and supporting students across the school community throughout the year. As role models across all year groups, they will help to promote our ACHIEVE values, encourage participation in house events and competitions, and foster a strong sense of belonging within their Houses. We wish them all every success!

GCSEPOD: A POWERFUL TOOL TO SUPPORT LEARNING

Did you know that all Furze Platt students have access to GCSEPod, an award-winning online learning platform packed with short, engaging videos and resources to support independent study?

While GCSEPod is especially valuable for students in Years 10 and 11, it also offers a growing range of Key Stage 3 subject content, study skills guidance, and mental wellbeing resources.

Over the years, we have seen a strong link between high levels of GCSEPod engagement and excellent GCSE outcomes. In fact, many of our highest-achieving students regularly use the platform as part of their revision and independent learning.

GCSEPod helps students to:

- Reinforce learning from lessons
- Revise key concepts in manageable chunks
- Build confidence ahead of assessments
- Develop effective independent study habits

We encourage parents and carers to ask their child about GCSEPod and support them in making regular use of this valuable resource at home.
