MESSAGE FROM THE HEADTEACHER

Rewards and Celebrations

Welcome to Term 2

I hope that you and your families had a lovely half term break. Our students have returned refreshed and energetic. It has been good to tour lessons and see the focus, work-rate and creativity.
It has also been wonderful to view some great sporting fixtures, clubs and visits. It looks like many students are aiming to get as many ACHIEVE points as possible this term to be in line for rewards as we approach Christmas. I look forward to handing out much praise and many rewards!

Year 11 PPEs

Good luck to our Year 11 students who start their PPE (mock) examinations next week. Speaking to students many have been preparing for the exams over half term revising topics and practising questions. Thank you for all the positivity and encouragement being offered at home.

Sixth Form Open Evening – Thursday 26th November

On Thursday 26th November we will be delighted to welcome Year 11 students from FPSS and further afield to our Sixth Form Open Evening. The event enables students, parents and carers to learn all about the range of courses we have on offer, as well as hear from Sixth Form leaders and students. Please do put the date in the diary.

Remembrance Day - Wednesday 11th November

Next Wednesday, 11th November, is Remembrance Day marking the opportunity for the FPSS community to come together and remember those who have died in conflict.

To mark Remembrance Day, we will be holding a two-minute silence at 11am on Wednesday.

Have a lovely weekend.

Dr Andrew J Morrison, Headteacher
(BA Hons, PGCE, MA, PhD)

- Year 10: Wednesday 24th March 2027
- Year 7: Thursday 22nd April 2027

Information regarding appointment booking and timings will be shared with parents and carers nearer to each event.

SUPPORTING OUR SCHOOL

At Furze Platt Senior School, we are committed to providing students with the very best opportunities, facilities and learning experiences. While we make every effort to use our funding efficiently and maximise resources, government funding does not always cover everything we aspire to offer.

Parents, carers, families and friends can help enhance the educational experience of our students through either a one-off or regular donation. Every contribution, no matter the size, helps us invest in resources, enrichment opportunities and facilities that benefit our school community.

Please donate via the link below to support the learning opportunities, enrichment and facilities of the school. Gift Aid will apply to eligible donations.

Thank you.

YEAR 10 WORK EXPERIENCE 2027
SAVE THE DATE!

Our Year 10 students will be heading out into the world of work from Monday 21st to Wednesday 23rd June 2027, and we need your help to make it happen!

Parents and carers – can you help?
We're looking for businesses and employers who could offer one of our students a work experience placement next June.
Could you ...

- Offer a student a placement at your workplace.
- Put us in touch with a business or employer who might be able to help.

Work experience is a fantastic opportunity for students to develop confidence, learn new skills and gain valuable insight into different careers and working environments.
Please email Miss Stirling via the link below if you can help. Thank you.

Great Work From Our Sixth Form Mathematicians!

Our Year 12 and Year 13 Maths students have been putting their problem-solving skills to the test in some prestigious national competitions, with some fantastic results.

Senior Maths Challenge

A huge well done to all those who took part in the National Senior Maths Challenge, with an incredible 30 students achieving Gold, Silver or Bronze awards!

Special congratulations to Mitchell Holmes (Year 13), who achieved Best in School and automatically qualified for the Andrew Jobbings Senior Kangaroo competition.

Congratulations also to Noah Moss (Year 13) and Aleks Koziak (Year 12), who have also qualified for the next stage. Good luck to all three!

Mathematical Olympiad for Girls

We are also delighted to celebrate Sofia Corbett and Annabel Rozier (Year 13), who both achieved Merit awards after taking part in the Mathematical Olympiad for Girls.

These achievements reflect our students' ambition, perseverance and excellence, demonstrating our FPSS ACHIEVE values in action.

We are incredibly proud of all our young mathematicians and the dedication they have shown.

UK Maths Trust

Celebrating Our Students' Creative Talent!

A huge well done to our 2025–26 Year 11 and Year 13 students whose fantastic artwork was selected to be exhibited at Norden Farm Arts Centre!

A special congratulations to Liliana W on her well-deserved win! It was wonderful to see the creativity, talent and artistic skills of our students recognised by the judges.

We are incredibly proud of everyone who took part. Keep creating, keep experimenting and keep achieving!

SCHOOL CLUBS

Term 2: November to Christmas

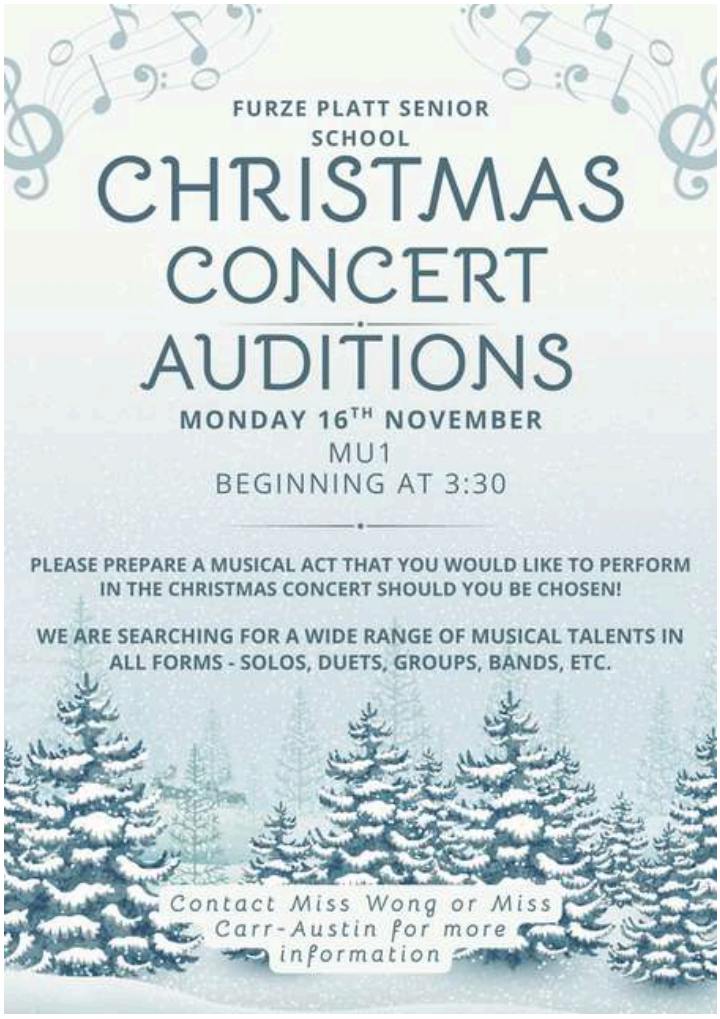

At the end of last term, parents and carers of students in all year groups were sent e-mail invites for this term's clubs. The email was headed Furze Platt Senior School with the email address evolve.furzeplattsnrvisits@edufocus.co.uk and the links will be safe for you to click on to confirm your child's attendance.
If you do not receive an email please check your junk / spam folders.

YEAR 11 REVISION SUPPORT

As Year 11 students prepare for their PPE examinations, our Raising Achievement (RA) team has delivered a series of revision skills sessions through PSHE. The sessions focused on helping students develop effective revision habits, including active recall, flashcards, mind maps, condensing information, self-testing and creating personalised revision resources. The key message was that revision is about revisiting and practising knowledge already learned, rather than simply re-reading notes.

Parents and carers are encouraged to talk with their child about the revision strategies covered in these sessions and to support them in establishing positive revision routines ahead of their PPEs and GCSE examinations.

For students who would like additional support, the Raising Achievement team is available before school, at break times and after school. They will also be delivering sessions to Year 11 students on revision timetables.

Gardening Club is Back!

Our Gardening Club has made a fantastic start to the term, getting straight to work in the school garden!

Students have been busy weeding, replanting our raised beds with strawberries and even carrying out some repairs to one of the beds.

Next week, we're hoping to get some spring bulbs planted and seeds sown, ready for a colourful display in the months ahead – alongside, of course, a little more weeding!
A big thank you to Mrs Budge for kindly donating the strawberry plants, and a warm welcome to our new Gardening Club staff assistant, Mr Athwal. We really appreciate your support!
A reminder to bring a coat each week, as we love to get outside and make the most of our gardening time, whatever the weather!

A Great Start to the Day!

Looking for a brilliant way to kick-start your morning?

Our Morning Fitness Club is open to students from all year groups!

Join us every Wednesday morning for an energising workout in our fantastic Fitness Suite.

When: Wednesdays, 7.30am–8.30am
Where: School Fitness Suite

It's a great opportunity to get active, boost your energy and start the school day feeling ready to go!

DUKE OF EDINBURGH AWARD SCHEME 2026-27

We are delighted to be offering both the Bronze (Year 9) and Silver (Year 10) Duke of Edinburgh's (DofE) Awards next year. The DofE is a nationally recognised programme that helps young people develop confidence, resilience, leadership, teamwork and independence through a range of rewarding challenges and experiences.

Participants complete four sections of the award: Volunteering, Physical, Skills and Expedition, providing valuable opportunities to learn new skills, support their community, challenge themselves and gain experiences that are highly regarded by employers, colleges and universities.

As places are limited, we encourage families to carefully consider the commitment required before registering. Students are expected to complete all sections of the award and attend all compulsory training and expedition dates.

Bronze Award (Year 9)

Cost: £300
Payment Schedule

- £150 deposit by Friday 20th November 2026
- £150 final payment by Friday 5th February 2027

Mandatory Dates

- Expedition Training Day: Saturday 16th January 2027, 9.00am-4.00pm, Furze Platt Senior School
- Practice Expedition: Thursday 20th May-Friday 21st May 2027
- Qualifying Expedition: Thursday 17th June-Friday 18th June 2027

Silver Award (Year 10)

Cost: £450
Payment Schedule

- £150 deposit by Friday 20th November 2026
- £150 second payment by Friday 5th February 2027
- £150 final payment by Friday 5th March 2027

Mandatory Dates

- Expedition Training Day: Saturday 16th January 2027, 9.00am-4.00pm, Furze Platt Senior School
- Practice Expedition: Wednesday 19th May-Friday 21st May 2027
- Qualifying Expedition: Wednesday 16th June-Friday 18th June 2027

Please note that transport to and from expedition venues is not provided by the school.

Further information, including registration details, will be shared in due course. We will also be holding a Microsoft Teams information session for parents and carers, providing an opportunity to learn more about the programme, ask questions and understand the commitment involved before sign-up.

Duke of Edinburgh Awards are an excellent opportunity for students to challenge themselves, develop lifelong skills, build friendships and create lasting memories. We look forward to welcoming the next cohort of Bronze and Silver participants to the DofE programme.

Bronze & Silver DofE badges and certificates can now be collected from Miss Carty in AR3.

Miss D Carty (DofE Manager)
Mr J Wellard-Jeffs (Educational Visits Co-ordinator)
Mr A Wyles (Assistant Headteacher - Enrichment)

SCIENCE FAIR

Do you have a question you've always wanted answered? Then you have a Science Fair project!

Students in Years 7, 8 and 9 are invited to take part in our Science Fair, which forms part of the prestigious National Science & Engineering Competition. This is a fantastic opportunity for aspiring scientists, engineers and innovators to explore a topic that fascinates them and showcase their discoveries.

Taking place on Thursday 25th February, the Science Fair encourages students to investigate a scientific question, carry out research and experiments, and present their findings to judges and visitors. Projects can be completed individually or in groups of up to three students.

Why take part?

- All participants will have the opportunity to attend a school trip to the Big Bang Fair in Birmingham.
- Winners will receive trophies and rosettes.
- Lots of House Points are available.
- Winning projects will be entered into the National Science & Engineering Competition at The Big Bang Fair, with the chance to win £500.

Getting started

- Read the Science Fair student guide sent via email.
- Decide on a question you would like to investigate.
- Research your topic using books, websites and other reliable sources.
- Consider the science behind your prediction and planned experiment.
- Watch similar investigations and experiments to develop your ideas.
- Speak to your science teachers or attend Science Club every Tuesday during term time in S10 for support and guidance.

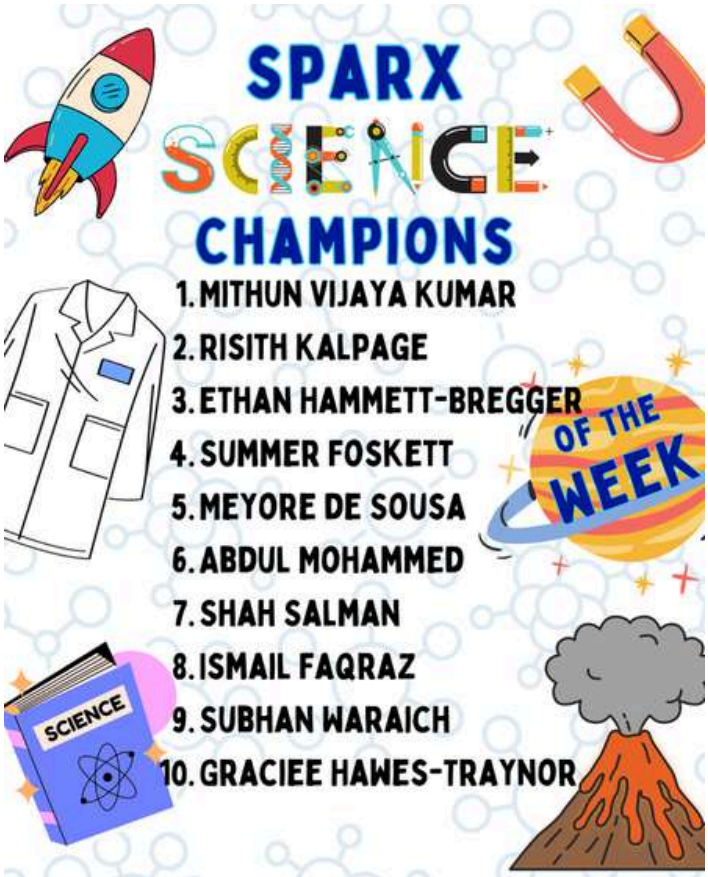

Students should submit their proposed project idea to Mrs McElliott before the Christmas holidays.

Whether you're interested in biology, chemistry, physics, engineering or environmental science, this is your chance to discover something amazing and compete on a national stage!

Good luck to all our scientists!

SPARX SCIENCE CHAMPIONS OF THE WEEK

Great work from our top ten scientists this week!

INSTRUMENT, SINGING AND LAMDA DRAMA LESSONS

We are delighted to be able to offer various instrument, singing and LAMDA drama lessons for all year groups, both individually and in small groups. Lessons take place during the school day and are provided by external, highly qualified teachers. Relevant lessons are subsidised for Pupil Premium students who are studying music or drama at school.

Please contact the following for costs and further details:

- **Singing and Piano** - Elin.Davies@furzeplatt.net
- **Guitar** - Max.Randall@furzeplatt.net
- **Drums, Brass, Strings** – provided through Berkshire Music Trust
- **LAMDA drama** – Jane.Trainer@furzeplatt.net

CAFE THEMED EVENTS

Giant Yorkshire Pudding Pop-Up – Tuesday 18th November
Don't miss our Giant Yorkshire Pudding Pop-Up, featuring a hearty menu packed with flavour!

Bonfire Night Lunch Lights Up Furze Platt Cafe

Students enjoyed a spectacular Bonfire and Fireworks Night-themed lunch this week, thanks to the fantastic team at Accent. Our cafe was transformed with festive decorations, creating a fun and vibrant atmosphere to celebrate the occasion.

The special menu featured a range of warming autumn favourites inspired by Bonfire Night, alongside delicious sweet treats and themed desserts. The beautifully presented food proved extremely popular, with students enjoying both the variety and creativity on offer.

A huge thank you to the Accent catering team for going above and beyond for our school community!

The FPSS Roadshow: Bringing Learning to Life!

Yesterday, our Art and English Departments joined forces to deliver a fun and creative Typography Monsters Workshop for Year 5 pupils at St Luke's Primary School in Maidenhead.

As part of our FPSS Roadshow, we visit local primary schools to give pupils a taste of life at Furze Platt and showcase some of the exciting learning opportunities our school has to offer.

The pupils were challenged to create their very own monster characters using letters of the alphabet. They then brought their creations to life through descriptive writing, before turning their words into colourful monster illustrations!

There were some wonderfully imaginative ideas, with pupils combining creativity, drawing and writing in a fantastic cross-curricular activity.

A special thank you to Mr Twiney and Ms Stevens for delivering such an enjoyable workshop, and to St Luke's for welcoming us!

ACHIEVE Focus:
Supporting Maidenhead Foodshare This Christmas

Students are being encouraged to support this year's Maidenhead Foodshare Donation Drive as we work together to help local families in need this Christmas.

Last year, the Furze Platt community donated an incredible 797 items, helping to support around 500 families across Maidenhead. This year, we are aiming to beat that total and make an even greater impact in our local community.

As part of our ACHIEVE values, particularly Collaboration, Integrity and Excellence, students are invited to donate unopened food and household essentials to support Maidenhead Foodshare, a local charity that has been helping residents for more than 16 years. The organisation provides food parcels, fresh items and community support to those facing hardship.

Donations will be collected weekly by House Captains throughout November and December, with tutor groups competing to see which House can contribute the most items. Staff can also take part by leaving donations in the collection box in the staffroom. Every contribution, no matter how small, will help bring hope and practical support to local families during the festive season.

House Captains will come to each tutor group on the dates below to collect donations from tutors and students:

- Thursday 12th November
- Thursday 19th November
- Thursday 26th November
- Thursday 3rd December
- Thursday 10th December

We are not asking you to go out of your way to buy items - anything unopened from home will go a long way.

Thank you to everyone who supports this important initiative. Together, we can make a real difference and help make Christmas brighter for others.

SUPPORTING MENTAL HEALTH

Please be aware of the support available for young people if they are struggling with their mental health.

The safeguarding team can be contacted on safeguarding@furzeplatt.net

FURZE PLATT SUPPORTS MOVEMBER

Throughout November, members of the Furze Platt community are taking part in Movember, the global movement raising awareness and funds for men's health, with a particular focus on mental health, suicide prevention, prostate cancer and testicular cancer.

MOVEMBER®

Students have explored these core themes in Personal Development tutorials this week as part of a focus on Men's Health.

Our staff are getting involved by growing their moustaches and taking on fundraising challenges to support this important cause. We would be grateful for any support from our school community as we work together to raise money and awareness. (Pictured L-R: Dr Graham, Mr Corbett, Mr Brown, Mr Gill and Mr Piemontesi.)

Every donation, no matter how small, helps fund vital research, support services and programmes that improve the lives of men and boys around the world.

Thank you for supporting this worthy cause.

KINSHIP CARE

If you would like to shape the Kinship support available from RBWM please follow the below information shared by the council.

MESSAGE FROM RBWM:

We are currently launching a new Kinship offer on our website and have drafted the new Local Offer page.

To ensure the new website truly provides the right information and support, we would love to hear your thoughts. Your feedback as kinship carers is incredibly valuable to us in getting this right.

Please take a few minutes to look at the new page and share your thoughts by completing this short questionnaire:

PLEASE CLICK HERE TO GIVE KINSHIP WEBSITE FEEDBACK

*Please note that the preview web page currently features content tailored for RBWM as an initial template. The finalised versions for Kingston and Richmond will have identical content and layout once community feedback has been reviewed.

We will collate feedback to ensure everyone has a chance to share their views.

Thank you in advance for your time and your continued support.

MESSAGE FROM ST LUKE'S CHURCH OPPORTUNITY FOR DOFE VOLUNTEERS

St Luke's Church Maidenhead

St Luke's Church, Maidenhead, will be holding its annual Christmas Tree Festival from Friday 4th December to Sunday 6th December.

During the Festival many hundreds of visitors come to the church to se more than 70 Christmas trees decorated and sponsored by charities, schools, community organisations and local businesses. Last year, the event raised over £5,000 for our chosen charity, Alzheimers Dementia Support and additional funds to help keep our church at the heart of the community.

During the Festival we offer refreshments and run home-made produce and arts & crafts stalls. We also aim to make people feel as welcome as possible. All this relies on the hard work and kindness of a good number of volunteers.

We were wondering if there are any Furze Platt Senior School students who are currently pursuing a Duke of Edinburgh award and who would like to undertake some local community volunteering towards that award. The students would be guided by, and work alongside, seasoned volunteers. It is always a lot of fun even though the Festival can be very busy at times, especially on the Saturday and Sunday.

If you would be interested in this we would love to hear from you.
