

EXAMINATION RESULTS

I would like to congratulate all our students on their results in 2022. I was very pleased to see students' hard work pay off with some excellent results. There was much celebration as students achieved their places in our Sixth Form, colleges, apprenticeships and university. As ever, results days are emotional for staff, parents and carers who are aware of the efforts and struggles that have gone into achieving the results. I would like to thank all parents and carers for their support in achieving these results. I wish all our students every success as they embark on the next stage of their educational journey.

Dr. A Morrison, Headteacher
