

FURZE PLATT SENIOR SCHOOL GOVERNORS

Katie Mair – Chair of Governors

Having become a Governor in 2009 when my son was at FPSS, I am delighted to have been elected by the Governing Board to serve as your Chair of Governors.

With a professional background in stakeholder engagement, data-driven decision-making, and school improvement, I have a deep commitment to education and supporting our community to thrive. I have worked extensively with schools and trusts over the last 20+ years to implement effective stakeholder voice feedback; staff appraisal, QA monitoring and CPD platform; and classroom resources.

I look forward to continuing to work alongside our school leaders to ensure everyone at FPSS has the opportunity to ACHIEVE.

Hugh Steed – Vice Chair of Governors

I have had two children attend Furze Platt, and live close by so have a strong interest in the success of the school. I joined as a Governor in September 2018 and was Chair of Governors from 2022 to 2025. I am now Vice Chair, supporting our new Chair.

I work in technology so wanted to bring that business expertise to the Governing Board and help grow the School's already strong focus on STEM.

Nabeela Akhtar – Governor

I am honoured to serve as a school governor. As a seasoned Human Resources professional, I bring a wealth of experience in organisational management and people development to the governance team.

My passion for learning, development and community involvement has driven me to contribute to the success of the school.

I firmly believe in the power of education to transform lives, and I am dedicated to supporting the school in its mission to provide an exceptional learning environment for all students.

In my role as a school governor, I am involved in various areas of governance, including safeguarding, pupil & parents and pay. I am committed to fostering a positive and inclusive learning environment that promotes the growth and development of every child at Furze Platt Senior School.

Georgina Bramall – Parent Governor

I'm a Marketing Strategy Director with multiple years' experience working within the grocery, consumer goods and telco sectors leading the strategy, insight, media, comms, planning and ESG functions. I'm hugely passionate about the impact brands can have and am committed to creating a more equitable and sustainable future by embedding those principles into business culture and ensuring a balanced approach to decision making which equally accounts for people, planet and profit.

I'm delighted to have the opportunity to be part of the Furze Platt Senior School community in my role as Governor. I believe there are many transferrable skills from the business world that can be useful in a more academic setting, and I'm committed to working with the school to improve social mobility and the opportunities for our students across all aspects of the learning agenda.

Angie Faires – Parent Governor

I joined the Furze Platt Governing Body in December 2024 and I'm delighted to take on a more active role in the school community. As a parent of a student at the school, I've been consistently impressed with the quality of his learning experience and the dedication of the staff.

With over 25 years of experience as a marketing and communications specialist, I've worked across not-for-profit sectors including heritage, tourism, and leisure. My expertise lies in developing strategies that engage diverse audiences and deliver measurable impact. In my current role as Head of Marketing, I am supporting a sector-leading schools' strategy for the UK that aims to inspire a love for history among teachers and students, enriching young people's lives by building cultural capital and fostering lifelong enthusiasm for heritage.

I'm committed to using my professional skills to enhance the school's reputation, strengthen community engagement, and support effective communication with parents, staff, and students. As a governor, I am dedicated to helping the school create the best possible opportunities for all students to thrive.

Diane Flood - Governor

I am a Chartered Librarian with many years' experience of working with young people in school, public and university libraries. I was originally appointed as a staff governor when I worked in the school library at Furze Platt and am now an appointed governor. I am currently working as a librarian at Newlands School.

My son and daughter both attended Furze Platt. My son was Head Boy in his final year.

Rob Olliff - Governor

I was honoured to be appointed a Governor at Furze Platt Senior School in 2024. My wife is a teacher and my son attends primary school in Windsor where we live. I am passionate about the difference a good education can make to people's lives and proud that I can contribute to the school and local community.

I am a chartered accountant and have worked in the banking sector for more than 20 years both in the UK and overseas. I hope my skills and experience will be of benefit to Furze Platt. In my spare time we like to travel as a family and spend as much time as possible in the great outdoors. When I get time to myself I am a keen runner and golfer.

Joshua Reynolds – Governor

I joined the Furze Platt Governing body in the Summer of 2024. Having been a student at Furze Platt from 2010-2017, I have seen the school from the 'other side' and it is an enormous privilege to give something back to the school that taught me so much.

I am currently the Member of Parliament for Maidenhead, a role I've held since July 2024. A Councillor for Furze Platt Ward since 2019, I was recently the Cabinet Member for Communities and Leisure at RBWM. My professional background was in retail, managing a chain of supermarket stores in the South of England.

In my spare time I enjoy baking and trying our new recipes with my family.

Chris Rodgers - Governor

I've recently moved to the Maidenhead area from Brighton, where I was a Governor of a secondary school. During my time there my responsibilities included chairing the Curriculum & Standards committee. I'm very pleased to have joined the Furze Platt Senior School Governing Board.

My professional background is in Banking & Finance, and I've held a number of varied roles and responsibilities in my career thus far. In particular I have experience of working with a variety of education providers with various financing needs. My professional background, combined with my proactive and enthusiastic attitude, means I believe I am well-placed to add value to the Board of Governors and help the school succeed. I am passionate about education, its ability to increase social mobility and its importance as a cornerstone of community. I endeavour to try my utmost to make a difference for all the young people and stakeholders of our school.

Daniel Siskin – Appointed Governor

I run an outdoor childcare company for children of primary school age. Our main focus is allowing the children to be children and play in some of the wonderful outdoor spaces we have in the area. I work with young people, parents and schools on a daily basis and feel privileged to provide fun and memorable experiences for everyone that we work with.

Prior to this, I worked in secondary education for just under 10 years. With my main subject being Spanish, I held a variety of other roles during my tenure both within curriculum leadership as well as the school's pastoral teams. With this school experience under my belt, I am honoured and excited to support Furze Platt Senior School as a Governor.

In my spare time, I am a keen fitness and sports enthusiast. I attend matches of my beloved Tottenham Hotspur as well as more locally in Marlow.

	Jo Smith – Parent Governor I have two children at FPSS, both of whom have received exceptional teaching, learning and pastoral support. It is an enormous privilege to be able to give something back to the school. I am an experienced HR professional and a trade union official. I have previously worked as an HR Business Partner, providing a ‘critical friend’ perspective to managers and so am used to questioning and challenging the status quo in an open and constructive way. I have worked as part of various leadership teams and understand the need to accept collective responsibility for decisions/actions. I recognise the need to have different perspectives within teams, to avoid the ‘group think’ that can often lead organisations to become embedded in patterns of work/process without questioning their purpose and value. I am a passionate advocate of comprehensive education, and my priority will be to ensure that all children are able to meet their full potential, and to build a love of learning so that school is a positive place for them all.
	Abi Stead – Appointed Governor I was honoured to be co-opted onto the Governing Board at Furze Platt Senior School in March 2025. Over the past 16 years, I have taught Drama in schools across Maidenhead and Slough and have held a variety of roles, including Head of Year and Head of Faculty. I am currently embracing a new challenge as an English teacher at Newlands Girls’ School. I am passionate about education and have seen first-hand the life-changing opportunities that a high-quality education can provide for young people. With a background in Performing Arts, I am excited to support Furze Platt’s creative curriculum. I believe that access to the arts is vital for students and can have a profound impact on their confidence, wellbeing and future prospects. I am particularly looking forward to attending the school’s productions and concerts. Outside of work, I enjoy reading and have recently joined a book club, which is helping me broaden my own literary horizons. I also love travelling, making the most of my National Trust card with visits to beautiful places, and going on long walks. Keeping active at the gym is another favourite way to unwind.
	Mari Ueckermann – Parent Governor I have a son at FPSS. We’ve been living in the Furze Platt area for 14 years. My husband and I are from South Africa and have been living in the UK since 2008. I’ve learned to embrace the volunteer outlook to life in the UK. I wish to plough back into the community that has served us well, with outstanding schools, churches and recreational facilities. I’ve been working in the payroll software industry for many years. It has taught me to recognise where something is ‘off’, find ways to solve problems and persevere until it works a 100 percent. I hope this will help me in the Governor role. The only other thing I can offer is to love and serve our school community. In my spare time, I love cooking for the family, singing in my church choir, swimming and daily walks with our dog.

	Kate Winrow-Davies – Parent Governor I have two children, my son is still in Primary and my daughter is at FPSS. I'm passionate about education and have worked in schools across Berkshire and Surrey for 20 years, specialising in vocational education and pastoral care. I currently work as a L6 careers advisor delivering impartial information, advice and guidance for KS3, 4 and 5 students. In my spare time, I'm involved with various activities in our local community and am proactive in encouraging others to work together for a common goal.
	Shane Woodhatch – Governor I joined the Furze Platt Senior School Governing Body in 2019. As a parent with children at FPSS, I have been impressed with both Furze Platt Senior and Junior School and with my financial background would like to bring my expertise to the table, ensuring that FPSS remains financially stable in what can be considered interesting times. I currently work at HCUC as Group Finance Director and I have been involved in the education sector for 20 years. My hobbies/sports are primarily golf and cycling. I do enjoy following rugby including the occasional banter between the two hemispheres, since I grew up in South Africa.
	Jenny Knight – Governance Manager I joined FPSS in January 2019 and have very much enjoyed the experience of getting to know the School and its Governing Body. My role is to manage all the paperwork for Governors' meetings, including committees and the Full Governing Body as well as additional panels and working groups. In addition, I organise governor training and school visits, policy approvals, strategy sessions and inductions for new governors. I have two children and spend some of my spare time singing with Cantorum Choir in Cookham. I love classical music, walking, swimming and baking – as well as escaping to Cornwall or Scotland whenever I can.
