### MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

**Welcome to Term 5**

I hope that you and your families had a good Easter break. It has been a pleasure to welcome students back to FPSS this week.

As I have done so, via a video and assemblies, I have shared some key messages with them:

**Celebrating Success**

I have highlighted and thanked students for some of the fantastic events of Terms 3 and 4, not least Guys and Dolls, the Thames Hospice fundraising and Ski Trip over Easter. However, I know there have been much more! I have encouraged students to take on new experiences and challenges this summer getting involved in clubs, activities and visits within and beyond FPSS.

In particular, I have made reference to House Points and the numerous nominations and prizes students received at the end of term. I have challenged each student to have a nomination by the end of the summer.

**Learning and Examinations**

A key part of Term 5 every year is the start of external Key Stage 4 and 5 examinations. For those students sitting examinations their revision should currently be at full speed and focused on practising exam techniques alongside factual recall. If students need motivating beyond the opportunities the grades will provide, please remind them that the examinations will be over in a couple of months when they have Prom, Graduation and the long summer to look forward to.

**Uniform**

I also reminded students of our uniform rules, notably that the shirt, tie and blazer should still be worn, but their jumper is optional. As experienced parents and carers will be aware when/if the really hot weather arrives, we will make a decision whether blazers are no longer required.

Take care,

Dr Andrew J Morrison (BA Hons, PGCE, MA, PhD)

# Laptops for Learning

- Support classroom and home learning
- Laptops will be used in all subjects, but...
- Laptops will **not** be used all lesson, every lesson
- Monthly payments plans
- Financial support available, even if not eligible for Free School Meals

# Laptops for Learning

- Students can buy a laptop through the school, bring in one they already own (subject to minimum technical requirements) or buy elsewhere.
- Monthly payment plans available, without a credit check. Students eligible for Free School Meals on 1st September will be provided a laptop free-of-charge. We will not review FSM status until September 2024. Financial support is also available for other low-income families if needed.
- School packages include a protective case and insurance – if buying the laptop elsewhere, we strongly encourage you to consider insuring it.
- We find many students struggle with the touchpad for in-class use, so you might want to buy a mouse.
- Label the laptop, case and charger with the child's name!

# Music lessons

The Music Department offer many exciting opportunities for students to learn outside the classroom; from the various ensembles to a range of optional instrumental lessons, we have something for all students. Our instrumental lessons are provided by Berkshire Music Trust and our highly qualified specialist in-house instrumental teachers. We want to give every student the chance to learn a new instrument or continue with one they have picked up in primary school. For information about lessons please contact:

# Support with Transition

## How can you help your child to have a smooth transition to secondary school?

### Reduce Nerves

- Follow the route to school that your child will take
- Look at this presentation and the school website together
- Discuss any upcoming transition events before and after the event

### Practice Independence:

- Get your child to pack their own bag the night before
- Teach your child to tie a tie
- Show your child how to read a timetable

If you have any further questions  
between now and September:
