

Year 7 Team Building days - October 2024

Dear Parents and Carers,

Welcome to Furze Platt Senior School!

As part of our transition programme for 2024, we are inviting all Year 7 students to a Team Building day at Longridge Activity Centre, Marlow SL7 1RE.

This is a brilliant introduction to the enrichment and personal development programme at Furze Platt and a chance for students to get to know their peers, form tutor and the pastoral team. Students will get the opportunity to take part in a range of activities including team building challenges, dragon boating, climbing, laser tag, and crate stacking.

The activity days will run on Wednesday 9th, Thursday 10th and Friday 11th October 2024. Students will be invited to one of the days once they have been allocated to a form group in September.

Students will need to bring a packed lunch, drinks and wear suitable clothing for the activities (more information to follow in September). On their allocated day students will need to be dropped off at Longridge at 8.45am and picked up at 3.15pm.

The cost of the adventure will be £40 – we will be in contact in September with details of how to make payment.

Students from families who qualify for free school meals and pupil premium funding will have their lunches and trip costs provided by the school, with a small contribution from parents/carers. The Year 7 team will be in contact at the start of Term 1 in September 2024 with further details.

We are really looking forward to welcoming your child to Furze Platt and hope that they will be able to join us for a day of team building fun!

Should you have any further questions about the trip please do not hesitate to get in contact.
