

Furze Platt Senior School

Provider Access Statement

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;

to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;

to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact *Judith Bubb*, Careers Leader Judith.bubb@furzeplatt.net; 01628 625308

Opportunities for access

A number of events are integrated into the school careers programme which would potentially offer providers an opportunity to come into school to speak to students. The school calendar varies from year to year so providers need to contact the member of staff named above to identify the most suitable opportunity. The events are usually arranged well in advance so it is essential that providers contact us early in the academic year to be involved in our planning.

Access will be granted on the understanding that information and guidance offered by providers is related to technical courses and apprenticeship opportunities only. Providers will be expected to meet the school's safeguarding requirements.

Premises and facilities

The school will make available appropriate rooms and facilities, including AV equipment, to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Learning Resource Centre, which is managed by the school librarian. The Resource Centre is available to all students at break times.
