Re: GCSE Results Day – Internal FPSS Students

Dear Year 11 Students, Parents and Carers,

I hope this letter finds you well.

I am writing to you regarding GCSE Results Day 2025 and with details of the arrangements for how this day will operate at Furze Platt this year, along with information regarding Sixth Form registration.

Timings for the day

GCSE Results Day is scheduled for Thursday 21st August 2025. The school will be open and you will be able to collect your results in person from the Theatre from 8am. Results Day will close for internal students at 11am so all students collecting results will need to have done so by this time.

How results will be issued

Results will be issued in the Theatre. Students will collect their results from members of the examination team who will be at desks organised by surname. Students will simply need to go to the desk displaying the starting letter of their surname to collect their results and read the letter included.

Sixth Form Registration

If students are intending to attend the FPSS Sixth Form, they will need to complete their enrolment form online on Admissions+ once they have obtained their results.

All details on how to enrol can be found at the bottom of this letter. Our entry requirements are published on page 5 and 6 of our Prospectus, which can be found [here](#).

All students who have achieved the grades they need to qualify for their conditional offer subjects will be able to register online and will not need an enrolment interview.

Students won't be fully enrolled until they have received a confirmation email from Admissions+.

While we will endeavour to accommodate student preference, any option changes will be dependent on timetable compatibility, course availability and students' attainment of subject entry requirements.

If a student does not meet the entry requirements for a course, we will work with them to identify possible alternatives within the Sixth Form. All students must meet the entry requirements for subjects to be considered for a specific course. If we cannot find a suitable set of courses for a student within Furze Platt, there will be guidance on hand from the Year 11 team and SLT for alternative providers.

Returning of school equipment and uniform

If students have any school resources, such as textbooks or equipment, please bring these to Results Day. We are very grateful for any donations of textbooks or revision guides that are no longer wanted.

Similarly, if any student uniform is in a good condition, we would be thankful for any donations to the school.

Students not able to attend Results Day

If students are unable to collect their results and wish for someone else to collect them on their behalf, they will need to complete a results collection form prior to the end of the summer term, which can be found on the [examinations page](#) of the school website.

Sixth Form registration may require students to register in person as outlined above. If students are not able to attend school on Results Day to register, please let us know as soon as possible. Students may send someone in on their behalf to do enrol for them before 11am. If students are able to talk to us on the phone, this person should bring a working contact number with them so we can call to discuss registration.

Please be aware that there will not be a member of the Sixth Form team available from the end of Registration Day until the start of the new academic year.

I wish all of you a very enjoyable summer, and we look forward to seeing students on Results Day, where we hope very much to celebrate their successes. Don't forget summer coursework is available on the website, [here](#). This will need to be completed by the first lesson in September for each of your subjects.

With very best wishes

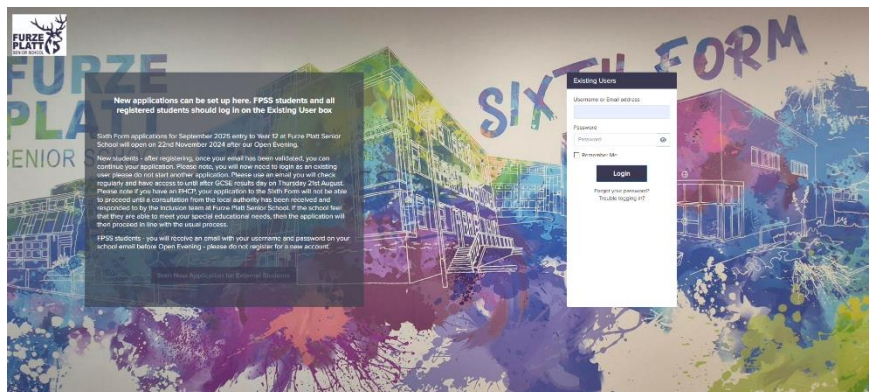

Peter Ging
Assistant Head Teacher, Head of Sixth Form
