

Register of Interests

Furze Platt Senior School is committed to ensuring that all Members and Trustees understand and comply with their statutory and moral duties to avoid conflicts of interest, not to accept benefits from third parties and to declare interests in proposed transactions or arrangements.

No Member, trustee, employee or related individual or organisation uses their connection to Furze Platt Senior School for personal gain, including payments under terms that are preferential to those that would be offered to an individual or organisation with no connection to the school.

To this end all Members and Trustees complete a pecuniary interest declaration that is included in the school's register of interests which is published here for public inspection.
