Dear Year 10 and 12 Students, Parents and Carers

I hope that you and your families are safe and well. Last Friday, 22 May, I wrote to you outlining plans for a return to Furze Platt Senior School in Term 6. At the end of the letter, I offered the caveat that things might change. I have to say that I did not expect this to happen so quickly over the Bank Holiday weekend.

Schools were not aware that on Sunday, the Prime Minister would announce that Year 10 and 12 students would not be returning to school until 15 June. The government also published further guidance with the consequence that some of our other plans will need to be adapted.

Please look out for further correspondence from me, probably towards the end of next week. I am still hopeful that we can get Year 12 back to school as close to 15 June as possible, with Year 10 shortly thereafter, for face-to-face time with their teachers.

In the meantime, further government information is likely so I end this letter with the further caveat that things might change!

I hope you are having a lovely Half Term.

Yours sincerely
