Year 12 and Year 13 News

Take time this weekend to work out where you're at and what you need to build your energy for your final week.

- What's going well?
- What do you need to do this weekend to give you energy for the final week ahead?

If you're struggling to build momentum, breaking the big picture down into a smaller focus is a great way to stay motivated. Year 13 students were encouraged to complete a WOOP this week to help with this. Give it a go – you might find it empowering.

Specific area of focus:			
WOOP	Questions	Answers	
Wish	 What is your most important wish or concern between now and Easter? Pick a wish that feels challenging but that you can reasonably fulfil. 		
Outcome	 If your wish is fulfilled, where would that leave you? What would be the best, most positive outcome? How would fulfilling your wish make you feel? 		
Obstacle	What is it within you that holds you back from fulfilling your wish? It might be an emotion, an irrational belief, or a bad habit.		
Plan	 What can you do to overcome your obstacle? Identify one action you can take or one thought you can think to overcome your obstacle. Make the following plan for yourself: "If (obstacle), then I will (action or thought)."
