

Department Information:

Year 7 & Year 8 students study three hours of Spanish plus either three hours of German or French per fortnight. By the end of Year 8, students decide which language they would like to continue with into Year 9. Some students decide to continue with both languages.

ACHIEVE in the curriculum:

In MFL, students show excellence by ambitiously maximising their understanding and use of Target Language across all four skills, demonstrate versatility by manipulating language to demonstrate knowledge of grammar and linguistic structures and are happy when taking pride in their achievements, enjoying language learning and experiences of cultural knowledge.

Curriculum Aims & Intent:

Through studying modern foreign languages at KS3, students will develop their understanding and ability to respond to spoken and written language, speak and write with increasing confidence, fluency and spontaneity, find ways of communicating what they want to say and gain an appreciation for the countries in which the target language is spoken.

Resources:

Textbook: Viva! Book 1 Rojo (ISBN:9781447935254)*

How we keep parents informed:

Year 7 progress reports are published 4 times per year, in October, December, April and July, with a face-to-face parents' evening in May.

How parents can help their child:

Support with regular vocabulary learning on Quizlet to consolidate content delivered in lessons, revision activities on ActiveLearn and encouraging students to say key words and short phrases in the target language at home.
