

Department Information:

The FPSS Department of English aims to nurture a love for the English language and literature. The emphasis of the curriculum is to refine skills such as critical thinking and appreciation, oracy and writing. The goal is not only to prepare students to be proficient readers and writers but also to develop them into responsible citizens who are proactive in the pursuit of their own learning.

ACHIEVE in the curriculum:

The aim of the curriculum is to nurture and develop critical thinkers, able to express their views in an informed, analytical and academic manner. Each core value is reflected in the ethos and culture of the department where students are encouraged to uphold a high standard of learning for themselves and their peers reflecting ambition and excellence.

Curriculum Aims & Intent:

Over the course of the year, students will experience reading a novel as a whole class, read and enact one of Shakespeare's plays, transform poetry into prose and become media literate. These aspects are designed to offer them a head start into KS4 years. They will learn crucial transferable skills of close reading, analysis and effective writing.

Resources:

- *Once by Morris Gleitzman/ Private Peaceful by Michael Morpurgo.*
- *The Tempest by William Shakespeare*
- *Poetry by a variety of poets*
- *Media unit*

How we keep parents informed:

Year 8 - Progress reports are published 4 times per year, in October, December, April and July, with a face-to-face parents' evening in March.

How parents can help their child:

A core ethos in the English department is independent Reading. Parents must encourage their child to read out loud with them at least 3 times a week. This should be coupled by the student doing Reading Plus, an independent online reading programme at home. Parents should also keep an eye on Class Charts to ensure their child is able to access the Home Learning and is completing the work set by their teacher.
