Department Information:
The English and Media Department aims to provide a stimulating, dynamic and academically rigorous experience for all our students. To this end, we are dedicated to leading innovation within English and Media teaching and to forging strong links with other departments.

ACHIEVE in the curriculum:
In Digital Media course, we encourage our learners to strive for excellence both practically and academically. We encourage collaboration in practical work. Students will have to exhibit versatility as there is a broad range of content they must be familiar with to achieve.

Curriculum Aims & Intent:
The Digital Media course intends to give students a foundational understanding of Media industries and institutions as well as to develop skills in Media literacy and analysis.

How we keep parents informed:
Year 13 - Progress reports are published 4 times per year, in October, November and February, with a face-to-face parents' evening in December.

How parents can help their child:
Parents can help their children by offering exposure to media products such as films, TV, radio, newspapers etc. Parents can also aid in the production of coursework both in being on hand for practical assistance and also feedback on media created.
