UCAS — YOUR JOURNEY

We had a UCAS information evening with parents and carers on Thursday 4th June. During this we shared with them key information on UCAS and how to support you on your UCAS journey. Next week you will be delving into the subject spotlight tool on UCAS, please bring a laptop or device to your tutor sessions next week.

You will be doing revision in tutor as well, make sure to have notes/resources from your lessons to aid your revision, do not just rely on your phones.
