

Uniform Policy

1. Statement of Intent

At Furze Platt Senior School, we believe the school uniform achieves three important goals:

- o It encourages a sense of community identity and pride. By wearing the same badge and the same clothing, students are encouraged to think of the needs of the community as well as their own individual needs.
- o It encourages our students to develop habits for life. By learning to polish their shoes, fold trousers or hang up their blazers, pupils learn the habits of discipline and personal responsibility that will stay with them for life.
- o It prevents unkindness or bullying while keeping costs down. By requiring all our students to wear the same low-cost uniform, we reduce the incentive for students to ask parents for the latest (and most expensive) items of fashion. As a result, costs are kept as low as possible and no child can be seen to be poorer or wealthier than any other.

The policy aims to:

- o Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for all parents and carers
- o Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- o Clarify our expectations for school uniform

2. Legal Framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018

This policy has due regard to all relevant guidance including, but not limited to, the following:

- DfE (2025) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2025) Developing a uniform policy
- DfE (2024) 'School uniforms'

3. Expectations

We think it is important for all students to keep up a high standard of appearance so that the school's excellent reputation is maintained in the local community. Students must wear school uniform at all times while on school premises and travelling to and from school. They may also be required to do so when on school trips.

Students must be in the correct uniform at all times unless they are on the playgrounds or astro during their breaks e.g. may change their footwear to take part in physical activities.

Parents/Carers are requested to help us to keep to our high standard of dress by ensuring that they buy the correct uniform for their children and ensuring that they wear it to school every day. Parents are asked to ensure their child's uniform is clearly labelled.

We reserve the right to confiscate items that do not form part of the school uniform and students may be sent home to change if their uniform is unacceptable.

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with

the pastoral team if the situation doesn't improve. Ongoing breaches of our uniform policy will be dealt with by the Behaviour for Learning Policy. In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation and the pupil will not miss classroom teaching because of a sanction.

4. Uniform Suppliers

We have worked hard with our suppliers to ensure that our school uniform is practical, affordable and of a good quality, and we ask parents to support us in maintaining high standards of uniform. We hope the guidance below is clear enough so parents do not purchase inappropriate items; if you have any queries please get in contact before you make any purchases.

All branded items are available from Hawkinsport in Bourne End. Any generic items can be purchased from a range of retailers.

Trainers, boots and brands such as Vans, Converse, Nike and Adidas are also not permitted.

The final decision on the appropriateness of uniform rests with the Senior Leadership Team

6. Cost Principles

The school has a duty to ensure that its uniform is affordable, in accordance with statutory guidance issued by the Department for Education (DfE) on the cost of school uniform. The school recognises that items with distinctive characteristics (including branded items, logos, or specific fabrics or designs) cannot be purchased from a wide range of retailers. The requirement for such items will therefore be kept to a minimum to ensure that parents and carers are able to secure value for money.

The school will ensure that uniform requirements are:

- Affordable and accessible to all pupils
- Designed to provide best value for money for parents and carers

To achieve this, the school will:

- Comply with statutory limits on compulsory branded items (a maximum of four items, or fewer where one item is a tie)
- Ensure that only essential branded items are required; all students must wear a blazer, and a jumper is optional
- Limit compulsory branded items to low-cost, durable items
- Avoid specifying branded requirements for items such as coats, bags, footwear, and general sportswear
- Avoid variation in uniform requirements between year groups, houses, or activities, where reasonably practicable
- Avoid seasonal or activity-specific branded uniform requirements
- Consider alternative arrangements, including the loan of sports kit for competitions where appropriate
- Promote and facilitate access to second-hand uniform provision for current and prospective pupils
- Avoid frequent changes to uniform requirements and minimise the financial impact of any changes
- Consult parents/carers and pupils on any proposed significant changes to the uniform policy and consider representations in line with the school's complaints procedure
- Review the policy regularly to ensure continued affordability and value for money

The school acknowledges that household financial circumstances vary. Maintaining a simple uniform and limiting fashion-driven items assists in reducing costs for families. Parents and carers who have concerns regarding the cost of uniform are encouraged to contact their child's Head of Progress, who will treat such matters in confidence.

The school is committed to ensuring that its uniform policy is inclusive, affordable, and does not act as a barrier to admission or participation, in line with the School Admissions Code. The school will review the overall cost implications of its uniform policy on a regular basis, including prior to implementing any changes. In doing so, the school will take into account the circumstances of:

- Economically disadvantaged families
- Families with multiple children at the school
- Families with younger children, who may require more frequent replacement of uniform
- Pupils with protected characteristics that may affect access to uniform due to cost
- Looked-after children (LAC) and previously looked-after children (PLAC)

Cost considerations will be based on the full uniform list rather than individual items, including the requirement for multiple items (e.g. shirts and socks) to ensure pupils can attend school in clean uniform daily.

Branded items are defined as items of clothing or equipment that cannot be purchased from a wide range of retailers due to the inclusion of logos, specific colours, designs, or fabrics. The school will ensure that such items are kept to a minimum.

The school will comply with DfE expectations regarding cost and value for money and will use reputable suppliers to ensure affordability and quality.

Uniform requirements will not be changed frequently. The school will take into account the views of parents/carers and pupils when considering any proposed changes to the uniform policy.

7. Equality Principles

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

The school takes its legal obligation to avoid discriminating against any protected characteristic unlawfully very seriously, and aims to ensure that the uniform policy is as inclusive as possible so that all pupils are supported to access a school uniform which is comfortable, suitable for their needs, and reflects who they are.

The school will work to ensure that school uniform's cost does not disproportionately affect any pupils by ensuring that uniforms for all genders are as equal in price as possible and by adhering to the cost principles laid out in Section 6.

The school will ensure that parents and pupils are consulted over any changes to school uniform, and that views and advice is sought specifically from pupils, and parents of pupils, who:

- Are transgender, including non-binary pupils.
- Have SEND and/or sensory needs.
- Are of a religious or cultural background that has dress requirements.

The school implements a gender-neutral uniform, meaning that pupils are not required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'School uniform' section of this policy regardless of the legal sex recorded on the school's records. Transgender pupils are supported to access the uniform that best reflects their gender expression.

The school ensures that pupils who are required to follow certain dress requirements, e.g. by virtue of their membership of a particular religious or cultural group, are afforded flexibility to allow them to wear a uniform that adheres to their requirements as far as possible. The school endeavours to meet all requests for amendments to the uniform for these purposes; however, will ensure that the needs and rights of individual pupils are weighed against any health and safety concerns for the entire school community.

Parents' concerns and requests regarding religious clothing are dealt with on a case-by-case basis by the Headteacher and governing body, and always in accordance with the school's Complaints Procedures Policy.

The school ensures that the needs of pupils with SEND and/or sensory difficulties are considered in the uniform policy, e.g. ensuring soft, stretchy fabrics and avoiding intricate buttons or hard seams; however, where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible. Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with learning.support@furzeplatt.net who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

8. Jewellery

Permitted jewellery that may be worn is:

- One pair of stud earrings – no other piercings are permitted.
- A sensible wristwatch.

Jewellery is the responsibility of the pupil and not the school. Lost or damaged items will not be refunded. All jewellery must be removed during practical lessons, including PE lessons and science experiments.

9. Hairstyles

The school reserves the right to make a judgement on where pupils' hairstyles or hair colours are inappropriate for the school environment; however, will ensure that any such judgements do not discriminate against any pupil by virtue of their protected characteristics. Each individual pupil's scenario will be taken into account where any judgements on appropriateness are to be made, and parents will always have the freedom to complain via the school's Complaints Procedures Policy.

Pupils with long hair must ensure that this does not impede their vision, cover their face or provide a health and safety risk. Long hair must be tied up during practical lessons, e.g. during PE.

The following hairstyles are not considered appropriate for school:

- Brightly-coloured, dyed hair.
- Headwear with bold patterns or colours.
- Excessive hair accessories.

10. Makeup

The school rules on makeup are as follows:

- Only light, natural-looking makeup is permitted.
- False nails and nail extensions are not permitted.
- Only clear nail varnish may be worn.
- Temporary tattoos are not permitted.
- False eye-lashes are not permitted.

Pupils wearing excessive makeup are required to remove it or, if appropriate, will be sent home to remove it.

11. Labelling

We ask parents/carers to ensure their child's clothing and footwear is clearly labelled with their name.

Any lost clothing is to be taken to the lost property box near to the school office. All lost property is retained for one week and may be disposed of if it is not collected within this time.

12. Links to other policies

This policy complements and supports a range of other policies, including:

- Behaviour for Learning policy
- Anti-bullying policy
- Cyber-bullying policy

13. Monitoring & Review

This policy is reviewed annually by the Deputy Headteacher.

Staff will be required to familiarise themselves with this policy as part of their induction programme.
